GAME DAY IN ANNAPOLIS

NAVY FOOTBALL

An American treasure, Navy football will bring a small historic district to life six times this fall. A Navy football "Game Day Experience" is unrivaled by any other collegiate football game in the country. Each home game lends itself to an entire day of fun, an event to say the least, for fans of all ages. From the minute fans arrive at the stadium, they are entrenched in wholesome entertainment everywhere they turn.

NAVYFEST

Looking for a more intimate setting for your group event? NavyFest is an area that provides space for groups of 30 to 1,000 to gather with friends, family, employees, clients and neighbors in anticipation of the heated action on the field. From your game ticket to a buffet lunch by one of our preferred caterers, everything can be provided as you experience one of the best tailgating traditions in college football. It is also the best place to view the march-on of the Brigade of Midshipmen. Please contact our group sales office at grouptickets@usna.edu or by calling (410) 293-8743 or (410) 293-8791.

PAGEANTRY

True patriotism and pride in one's country are felt every home game when the entire Brigade of Midshipmen marches from the grounds of the Academy to midfield of Navy-Marine Corps Memorial Stadium to salute its school, its team and most importantly, its country. Immediately following the National Anthem, often sung by the Naval Academy glee club, fans experience one of the most breathtaking moments of their lives, as planes flyby overhead to welcome the start of the game.

TEAM WALK

Don't miss the Navy football team's arrival at the stadium as it makes its way from the team buses through NavyFest and into the locker room. Join the Navy cheerleaders and fellow fans at the Mid Walk, two-and-a-half hours before every home game near the Blue Angel on the blue (press box) side parking lot.

THE GAME

Game day features even more tradition and pageantry, beginning with the sounding of the cannon, symbolizing the official start of the game and heard again only when Navy scores. When the Mids put points on the board, fans witness another spectacle as a sea of plebes race to the North end zone to do push-ups that match their team's point total on the scoreboard.

POSTGAME

At the conclusion of the game, the Navy football team will stand in front of the Brigade of Midshipmen and sing Navy Blue & Gold, the school's alma mater. It is the greatest tradition in college football.

RATIONAL CHAMPIONS

In today's modern era, three undefeated teams with nearly identical records would cause a stir among fans and pollsters alike. This was the case when Navy earned its lone national championship in 1926, as the Midshipmen shared the honor with Stanford and Alabama.

A 7-7 tie between Alabama and Stanford in the 1926 Rose Bowl gave the Cardinal a 10-0-1 mark, while the Crimson Tide and the Mids each had identical 9-0-1 records.

The Midshipmen opened the '26 season with a new coach, Bill Ingram. A former Navy standout from 1916-1918, Ingram took over a Navy team that had only won seven games in the previous two seasons combined. One of the keys to Navy's 1926 squad was a potent offense led by All-America tackle and team captain Frank Wickhorst, who proved to be a punishing blocker for the Navy offense. One member of the Navy offense that appreciated the blocking of Wickhorst was Tom Hamilton. The quarterback and kicker had a pair of 100-yard rushing games en route to All-America honors.

Navy's biggest win that year was against Michigan in front of 80,000 fans in Baltimore. The Mids scored 10 second-half points to upset the Wolverines, 10-0. Navy's offense tallied 165 yards behind the powering attack of Hamilton and Henry Caldwell who scored Navy's lone touchdown on a one-yard plunge. Jubilation from the victory continued after the game, as the Midshipmen tore down the goal post at each end of the field and carried away all the markers that lined both sides of the field. The joy replaced the disappointment of the previous year when Michigan handed Navy its worst loss in school history at the time, 54-0.

Navy headed into its season finale against Army with a 9-0 record. The game was to be played in Chicago at Soldier Field, which had been built as a memorial to the men killed in World War I. It was only natural Army and Navy would be invited to play the inaugural contest there. James R. Harrison of the New York Times described the game as "the greatest of its time and as a national spectacle." Over 110,000 people witnessed the Midshipmen open up a 14-0 lead on the Cadets, only to see Army fight back to take a 21-14 lead early in the third quarter. The Navy offense responded behind its strong ground game led by running back Alan Shapley. On fourth down and three yards to go, Shapley ran eight yards for a touchdown to tie the game at 21. As the final quarter concluded, Army mounted a brief threat only to miss a 25-yard field goal.

The tie gave the Midshipmen a share of the national championship, as a pair of polls, Boand and Houlgate, named Navy the national champion.

JOE BELLING 1960 HEISMAN TROPHY

Naval Academy legend and 1960 Heisman Trophy winner Joe Bellino passed away on March 27, 2019, in Massachusetts at the age of 81. Bellino was a 1961 graduate of the Naval Academy and was Navy's first Heisman Trophy winner and first football player to have his number retired.

Bellino, a native of Winchester, Mass., was known as the player who was never caught from behind. In just three seasons, he scored 31 touchdowns, rushed for 1,664 yards on 330 carries, returned 37 kicks for 833 yards and set 15 school records.

Bellino was a unanimous All-America selection at halfback in 1960 and was also the winner of the Maxwell Award. His end zone interception preserved Navy's 17-12 win over Army that season. The Midshipmen were ranked as a high as fourth in the country and went on to play in the Orange Bowl on Jan. 1, 1961.

Bellino was also an outstanding catcher and outfielder on the Navy baseball team. He hit .428 in 22 games in 1959 and led the Eastern Intercollegiate League in stolen bases. He had a .320 average in 1960 and was the baseball team captain in 1961.

Army partisans can hardly forget the 1959-60 academic year for what Bellino did to the Cadets. In addition to his three-touchdown performance in the 1959 Army-Navy game, he was equally sensational in the Army-Navy baseball game in 1960. Bellino went 4-for-4 at the plate, drove in three runs, stole two bases and threw out two Army runners attempting to steal as Navy carved out a 9-1 win.

Bellino capped off his senior year (1960-61) at the Academy by winning the school's top two athletic awards, the Thompson Trophy and the Naval Academy Athletic Association Sword, marking the first time in 41 years that one midshipman received both of these awards.

Bellino's number 27 jersey in football was retired after the 1960 season. He had a three-year stint with the Boston Patriots after he had completed his four-year service obligation. He stayed in the Navy Reserves for 24 more years and reached the rank of Captain.

Bellino was a 1977 inductee into the National Football Foundation Hall of Fame and was a charter inductee into the Maryland Football Shrine in 1984. The Bellino Auditorium in Ricketts Hall is named after this outstanding athlete and in 2009, he was named to the Navy-Marine Corps Memorial All-Stadium Team. During its annual season-ending football banquet, Navy presents the Joe Bellino Award to the varsity football player whose inspiring on-field performance made a significant impact on the team and contributed to its overall success during the season.

Bellino worked for 40 years in the auto leasing and auction industry and prior to that was an independent business owner. He was also a longtime member of the Board of Directors of the Northern Bank and Trust, but was most proud of his participation in local or national charities, including that for the Disabled and Limbless Veterans.

Bellino is survived by his wife of 57 years, Ann; his son, John, a 1989 graduate of the Naval Academy; and his daughter, Therese, as well as his daughter-in-law Annette and three grandsons, Ian, Evan and Eric; and his son-in-law Cary.

"I remember watching Joe dominate Army in the 1959 Army-Navy game and his performance that day helped me decide that I wanted to go to the Naval Academy," said Roger Staubach, who won the Heisman Trophy in 1963. "When I got to the Naval Academy in 1961, Joe was there as a TAD coach. He coached the plebe backfield and was my first college position coach. I've always been a big fan of his. He was as good as it gets as a person, I idolized him. I watched Navy football quite a bit on television when I was in high school and the biggest reason was to watch Joe Bellino. He was known for his big calves. He was so strong and had great speed. He will certainly be missed."

"Joe was my first hero and football inspiration. His standard of excellence was a great example for me, as well as everyone associated with the Naval Academy and college football fans," said New England Patriots head coach Bill Belichick, who grew up in Annapolis and whose father, Steve, was a longtime assistant coach at Navy.

"Joe excelled in football and baseball at Navy and I attended many of his games with my father. My father held Joe in high esteem and my parents remained close with Joe and his family," continued Belichick. "Joe was a warm and unselfish person – I feel privileged to have enjoyed a lifelong friendship with him. The first football game I remember was in 1959 when Joe scored three touchdowns in Navy's 43-12 victory over Army. When Joe graduated in 1961 he gave me his midshipman cover – 50 years later, I gave it back to him because it belongs in his family. He was very helpful to me when I came to the Patriots. He spoke to our team several times and helped many of our players and coaches through his connections in this area. I enjoyed the opportunity to see and talk to him on a regular basis for the last 20 years. Joe was a great man and I will miss him greatly."

ROGER STAUBACH 1963 HEISMAN TROPHY

Known as "Roger the Dodger," Roger Staubach has scrambled his way to success as a college athlete, an All-Pro NFL quarterback and as a successful businessman.

In 1963, Staubach became the second Naval Academy football player in four years to win the Heisman Trophy. It was his junior season with the Midshipmen, and all he did was lead Navy to a ranking of second in the country and a berth in the Cotton Bowl, where he set Bowl records for pass completions (21-of-31) and yards passing (228). The Midshipmen posted wins over West Virginia, Michigan, Notre Dame and Maryland that season. He completed 106 passes in 161 attempts for 1,474 yards, while earning consensus All-America honors, as well as the Maxwell Trophy and Walter Camp Memorial Trophy.

At one time, Staubach, who was hampered by injuries in his senior season of 1964, had set 28 Naval Academy records in football. He also had some outstanding performances as a varsity baseball player and a brief but significant moment as a varsity basketball player. He lettered in baseball three-straight years (1963-65) as an outfielder and pitcher. In 1963, he hit .420, and in 1965 he was the team captain. He also won a letter in basketball in 1962-63.

Staubach was the recipient of the Thompson Trophy Cup at the Academy for three-consecutive years and was the 1965 winner of the Naval Academy Athletic Association Sword. He was the first sophomore to win the Thompson Trophy Cup and is its only three-time winner. He was only the fourth midshipman since 1900 to win both the Thompson Trophy Cup and NAAA Sword.

After four years in the United States Navy, including a tour in Vietnam, Staubach joined the Dallas Cowboys and led that team to unprecedented heights. Again, displaying the daring play he had shown at Navy, Staubach directed the Cowboys to 23 fourth-quarter comeback wins, 14 in the final two minutes of a game or in overtime. He played 11 seasons with the Cowboys and led them to the Super Bowl four times, including world championships in 1972 and 1978. The Cowboys were 90-31 with Staubach as their starting quarterback.

Among his awards were the NFL Players Association Most Valuable Player and The Sporting News NFL Player of the Year in 1971, Most Valuable Player of Super Bowl VI (1972), Washington Touchdown Club NFC Player of the Year in 1976 and 1978, NFC Pro Bowl selection five times, the Vince Lombardi Sportsman of the Year Award in 1975, NFL Players' Association NFC Offensive Player of the Year (1978), and the Byron "Whizzer" White Humanitarian Award in 1979.

Staubach was named Walter Camp Foundation Man of the Year in 1985, was selected to the Pro Football Hall of Fame in 1985, his first year of eligibility, and inducted into the National Football Foundation and Hall of Fame in 1981.

The football locker room in Ricketts Hall was named in his honor in 1996 and in 2008, Staubach received the National Football Foundation's Gold Medal, the highest honor one can receive from that organization. Staubach has also been honored as a "Distinguished Graduate" of the United States Naval Academy.

He was named to the Walter Camp All-Century Team, was elected into the Cotton Bowl Hall of Fame, spearheaded a successful movement to land North Texas and the Dallas Cowboys the Super Bowl in 2011 and was named to the Navy-Marine Corps Memorial Stadium All-Stadium Team.

Staubach married his high school sweetheart, Marianna, and the couple have been married for 54 years. They have five children, 15 grandchildren and three great grandchildren.

GU NAVY!

At the Naval Academy, beating Army is important. Plebes yell "Beat Army!" in Bancroft Hall, "Beat Army!" is on every weight in the Naval Academy weight rooms, and alums and fans alike yell "Beat Army!" at the end of Blue & Gold, the Naval Academy's alma mater.

The annual showdown between the two rivals in each sport is deemed the Star Game with the players from the winning team receiving a Star for their letter sweaters. For those sports that face Army multiple times in a season, the Star Game is designated prior to the start of the year.

Navy once again won the Star and overall series against Army in 2020-21. The Mids were 13-7 (.650) in star competitions against the Black Knights and 17-10 (.630) overall.

Navy is 44-4-2 against the Black Knights over the last 50 years in the overall series and 37-4-2 over the last 43 years in the Star series.

Navy leads the all-time series against Army in all sports, 1,114-844-44 (.567)

2020-21 STAR SERIES PRESENTED BY USAA

MEN'S CROSS COUNTRY

Navy repeated as Star champions over Army as the host squad used a victory by team captain Julian Perez and a sweep of the fourth, fifth, sixth and seventh positions to earn a 23-34 win at the USNA Cross Country Course. Racing on a 4.9-mile trail, the Mids' depth was key throughout the contest as their top-seven runners held spots within the top-10 for most of the event.

MEN'S BASKETBALL

Greg Summers notched a double-double and led the Navy men's basketball team in points (17), rebounds (12) and assists (5) during a 69-62 victory over Army. Summers, who posted his first double-double of the season and fourth of his career, totaled 13 points, eight rebounds and two assists in the second half. Patrick Dorsey set a personal career high for points with 13 to go along with a career-best eight rebounds. Cam Davis ended the game with 11 points and both Richard Njoku and Jalen Walker contributed 10 points.

WRESTLING

12

The 20th-ranked Navy wrestling team won four of the final six matches, including a match-clinching 14-3 major decision by 157-pound freshman Andrew Cerniglia, to capture a 20-13 victory over Army at Christl Arena. Heavyweight John Birchmeier broke the 7-7 tie and sparked the Mids' run after scoring a takedown with just three seconds left in his bout to earn the 6-4 victory over Bobby Heald who had never lost a match to the Mids.

MEN'S AND WOMEN'S INDOOR TRACK & FIELD

The Navy men's track and field team posted a 101-80 victory over Army at Gillis Field House. The 101 points scored marked the second consecutive season the Midshipmen recorded triple digits in the meet. The Mids earned max points in seven events, while winning 10 of 17 events to cruise to the victory. Clayton Thompson set the meet record with a Navy record time of 7.87 to win the 60 meter hurdles. Navy clinched the meet by sweeping the 3,000 meter run. Grant Van Valkenburg won the race with a time of 8:13.84, while teammates Julian Perez (8:14.04) and Miguel Mathias (8:19.67) completed the sweep to seal the victory, 93-72.

The Navy women's track and field team recorded a 98-83 victory over Army at Gillis Field House. It was the first time Navy posted consecutive indoor victories over Army since the Midshipmen recorded nine consecutive wins from 2006 to 2014. The 98 points scored by Navy was the most since the Mids posted a 104-77 win in 2014 in Annapolis. It was the most points scored in West Point since tallying 103.5 points in a victory in 2011. Navy won nine of the 17 events on the day, including earning max points in seven events. Sophomore Molly Mangan led the way with first place finishes in the 60 meter dash, 200 meter dash and in the 4X400 meter relay.

EATARMY

WOMEN'S LACROSSE

Trailing 12-10 with 16-and-a-half minutes to play, the No. 19 Navy women's lacrosse team scored the final three goals to claim a 13-12 victory over Army at Michie Stadium in West Point, N.Y. The final 11 minutes were all Navy as team captain Marina Lazarides scored a goal to pull the Midshipmen to within one, 12-11. Ellie Lecker scored her fourth goal of the game to knot the score. With just under four minutes to play, Nicole Victory broke the tie with a goal to put Navy in front 13-12. With time counting down, Lazarides caused a turnover on an Army clear attempt and picked up the loose ball. The Mids were able to close out the game and secure the one-goal win.

MEN'S AND WOMEN'S OUTDOOR TRACK & FIELD

The Navy track and field teams posted a sweep of the 2021 Army-Navy Outdoor Star Meet. The men's team opened the day with a 103-100 victory, while the women's team claimed a 111.5-88.5 win. For the men, it was the ninth consecutive outdoor victory in the series for Navy, while the women claimed their sixth-consecutive outdoor Star.

On the men's side, Navy won nine of the 19 events, while earning maximum points in five events. The women's team won 12 events, including max points in seven events. In addition, the Mids set a pair of school records, while notching five additional performances that rank in the program's all-time top 10.

Senior captain Clayton Thompson tied his own school record in the 110 meter hurdles with a time of 13.98 to finish first in the event. In the javelin, Emma Foster registered a school-record distance of 51.97 meters (170-06) to break her previous mark by 2.49 meters.

MEN'S TENNIS

Derrick Thompson, who won both his doubles and singles matches, was one of six members of the Navy men's tennis team to win at least one match during a 4-1 victory by the Mids over Army. Navy has now won five-straight Star Matches. Thompson clinched the match with a 7-6 (7-3), 6-2 victory at No. 2 singles.

MEN'S AND WOMEN'S SWIMMING & DIVING

Success for the Navy swimming and diving teams continued as both teams defeated Army West Point at Crandall Pool in West Point, N.Y. The Mids won the women's meet by the score of 220-77 and the men's meet by the count of 198-102. The Navy teams combined for 26 victories in the 32 events. Additionally, Mids placed at least first and second in 16 events, at least first, second and third in nine events and first, second, third and fourth (only three can score points) in eight events. Navy has now won the women's meet in each of the last 32 years and the men's meet in 30-straight seasons.

MEN'S LACROSSE

Midfielder Joe deLyra scored a career-high three goals, while Spencer Rees orchestrated a spectacular defensive effort from between the pipes with a career-best 19 saves to lead the 16th-ranked Navy men's lacrosse team to a 9-4 victory over No. 10 Army at Navy-Marine Corps Memorial Stadium. The victory marked Navy's sixth in a row against Army when the Black Knights have been ranked in the top 10. Additionally, the Mids have won five of the last six Star Games.

BASEBALL

Navy scored two runs in the seventh inning to force extra innings and then put up six runs in the eighth inning to come from behind and beat Army, 10-5, in eight innings. Navy freshmen Eduardo Diaz and Logan Keller guided the Midshipmen late in the game as they each had three-RBI doubles in the eighth inning to help Navy to the win. Keller finished with a 2-for-4 game with four RBIs and Diaz went 2-for-5 with three RBIs and two runs scored. Colin Smith also had a multi-hit game after going 2-for-4 with an RBI.

COMMANDER-IN-

The Commander-In-Chief's Trophy is presented annually to the winner of the football competition among the three major service academies — Army, Navy and Air Force — and is named in honor of the President of the United States.

Navy has won the trophy in 11 of the last 18 years and the Mids are 27-10 over the last 37 games against Army and Air Force.

Navy has won the trophy a total of 16 times: 1973, 1975, 1978, 1979, 1981, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2012, 2013 and 2015, 2019

When there is no clear-cut winner, the trophy remains with the winner of the previous year's competition.

The three-sided trophy stands two-and-a-half-feet tall and is engraved with the academy seals. Reproductions of the three mascots — the Army Mule, the Navy Goat and the Air Force Falcon — are ensconced on the respective sides of this bauble. The trophy is sponsored by the West Point Association of Graduates, the Naval Academy Alumni Association and the Air Force Association of Graduates.

The year in which the trophy is won is engraved on a plate gracing the respective academy's side of the trophy.

AMERICAN ATHLETIC CONFERENCE

The American Athletic Conference consists of 12 prestigious institutions: the University of Central Florida, the University of Cincinnati, East Carolina University, the University of Houston, the University of Memphis, the U.S. Naval Academy (in football only), the University of South Florida Southern Methodist University, Temple University, Tulane University, the University of Tulsa, and Wichita State University (in basketball and Olympic sports).

Under the leadership of commissioner Mike Aresco, the American Athletic Conference has fashioned an impressive list of accomplishments in the competitive arena, in the classroom and in support of student-athlete welfare. The American is firmly established as a Power 6 conference thanks to its collection of national team and individual championships, football and basketball postseason victories, expansive media rights contract with ESPN, and its commitment to providing the highest levels of support for student-athletes.

The league has produced four NCAA championship teams in addition to three New Year's Six bowl champions (UCF in 2013 and 2017; Houston in 2015), two NCAA Men's Final Four participants, six Women's Final Four teams, an NIT champion, 13 NCAA individual championships, and a Rhodes Scholar. Additionally, American Athletic Conference teams have advanced to the College World Series, qualified for the match play round of the NCAA Men's Golf Championship and registered multiple top-10 finishes at the NCAA Cross Country and Outdoor Track and Field championships.

The American has seen a member school claim a spot in a New Year's Six bowl six times in the league's first eight football seasons, including the 2020 campaign, when Cincinnati reached the Chick-fil-A Peach Bowl. The American finished the 2019 football season with four top-25 teams; among the 10 FBS conferences, only the SEC and Big Ten had more ranked teams in the final polls.

Individual teams in The American have enjoyed some of their best football seasons in program history as members of the conference. UCF finished in the national top 10 twice as a conference member – in 2013 and 2017. Houston went 13-1 in the 2015 football season, setting a school record for wins, while Navy won a program-record 11 games in 2015, its first season in the conference, and matched that mark with its 2019 campaign. Memphis, which had not won 10 games in a season since 1938, has registered three 10-win seasons in the last six years (2015, 2017, 2019), including a school-record 12 wins in 2019. Temple enjoyed its first 10-win season in school history in 2015. South Florida finished in the top 25 for the first two times in program history (2016, 2017). Cincinnati registered its third and fourth 11-win seasons in program history in 2018 and 2019 and was ranked No. 8 at the end of the 2020 season. SMU returned to national prominence in 2019 with a 10-win season, during which the Mustangs were ranked as high as No. 14 nationally. Tulsa returned to the top 25 for the first time in 11 years in 2020. East Carolina earned a top-20 ranking in 2014, while Tulane has played in three consecutive bowl games for the first time in school history. Since the conference's reconstitution in 2013-14, teams from The American have registered top-10 national rankings in football, men's basketball, women's basketball, baseball, men's soccer, women's soccer, women's lacrosse, men's golf, men's cross country and men's track and field.

Under The American's banner, Houston's men's basketball team reached the 2021 NCAA Final Four and was ranked No. 3 in the final coaches' poll, while Memphis claimed the 2021 NIT title. Houston's men's track and field team took third place at the 2018 and 2019 NCAA Outdoor Championships. Tulsa has registered top-six national finishes at the 2019 and 2020 NCAA Men's Cross Country Championships.

American Athletic Conference student-athletes have distinguished themselves in all facets of intercollegiate athletics. Memphis quarterback Brady White was the 2020 winner of the National Football Foundation's James V. Campbell Trophy as the top scholar-athlete in college football. Temple linebacker Tyler Matakevich won the Bednarik Award and the Nagurski Trophy as the nation's top defensive player in 2015, while Tulsa linebacker Zaven

Collins repeated that feat in 2020. Houston's Ed Oliver won the 2017 Outland Trophy as the nation's best interior lineman. The American has had three top-10 Heisman Trophy finishes as UCF quarterback McKenzie Milton was eighth in 2017 and sixth in 2018, while Navy quarterback Keenan Reynolds was fifth in 2015. Reynolds was also selected as the winner of the 2016 AAU James E. Sullivan Award as the nation's top amateur athlete.

Additionally, SMU's Avery Acker was chosen as the Division I women's volleyball Academic All-America of the Year in 2015, while Tulsa cross country standout Kirk Smith was chosen as a Rhodes Scholar in the fall of 2016.

American Athletic Conference alumni have made their mark in professional and international sports as well, beginning with the selection of UCF quarterback Blake Bortles by the Jacksonville Jaguars with the No. 3 pick in the 2014 NFL Draft. A number of American Athletic Conference athletes have been selected in the first round of the professional entry drafts in football, basketball, baseball and soccer, including former Memphis center James Wiseman, who was the No. 2 pick in the 2020 NBA Draft, and former Wichita State thirdbaseman Alec Bohm, the No. 3 selection in the 2018 Major League Baseball Draft. Former SMU standout Bryson DeChambeau, who was the 2014 American Athletic Conference individual champion, went on to win the 2015 NCAA Championship, the 2015 US Amateur title and has since become one of the top players on the PGA Tour, including a win at the 2020 U.S. Open. Former Memphis tennis player Joe Salisbury, a 2014 all-conference selection, has gone on to win the 2020 Australian Open men's doubles championship and the 2021 French Open mixed doubles title. Former Tulane standout Dominik Koepfer has earned a top-50 world ranking in men's tennis. Cincinnati's Jordan Thompson was named to the 12-player United States Olympic volleyball team, which will compete in Tokyo in 2021. The American announced a lucrative and comprehensive media rights extension with ESPN in May of 2019, providing the conference with a stronger and more extensive presence on ESPN's primary television networks (ABC, ESPN, ESPN2, ESPNU). Since the extension took effect in the 2020-21 academic year, a minimum of 40 regular-season football telecasts and 60 regular-season men's basketball games per season will appear on those primary networks. Nearly every conference-controlled game in all sports will appear either on an ESPN network or on ESPN+. The football championship game, all rounds of the men's basketball championship, and multiple rounds of the women's basketball championship, will be on linear ESPN television networks.

The first six American Athletic Conference Football Championships were televised by ABC as part of Championship Saturday. Subsequent championship games will appear on either ABC or ESPN through the duration of the 12-year extension.

American Athletic Conference teams have access to the pinnacle of college football's postseason structure. An American representative would be chosen for the College Football Playoff semifinals if it is among the top four teams in the CFP selection committee's final ranking. Otherwise, the league would place its champion in a New Year's Bowl if it is ranked higher than the champions of Conference USA, the Mid-American Conference, the Mountain West Conference and the Sun Belt Conference.

Additionally, The American holds primary or secondary partnerships with an expansive group bowls for the new cycle, which began in 2020, ensuring multiple annual matchups against the nation's top conferences and providing desirable postseason destinations for member institutions.

Away from the competitive arena, The American has established itself as a leader in the area of student-athlete wellness, both through the adoption of NCAA autonomous legislation on matters including full cost of attendance and nutrition. The conference, in conjunction with its Student-Athlete Advisory Committee has also launched the Pow6rful Minds campaign to improve awareness and education on mental issues and recognize the scholarly achievements of the conference's student-athletes.

Commandant of Midshipmen

From the first athletic competition played on the gridiron in 1879 to Navy's recent triumphs, several events, people, rivalries and personalities have shaped the entire Naval Academy athletic program. Below is a look at just some of the history and traditions that make Navy one of the most storied programs in all of collegiate athletics.

ANCHORS AWEIGH

"Anchors Aweigh" was written by Lt. Charles Zimmermann, Musical Director of the Naval Academy in 1906, with the lyrics provided by Alfred H. Miles of the Class of 1906, as a fight song for the 1907 graduating class instead of the usual class march Zimmermann had composed for previous classes. The song made its debut at the 1906 Army-Navy game, and when the Midshipmen won the game, the song became traditional at this game. It gained national exposure in the 1920s and 1930s when it was heard on the radio and was in a number of popular movies. In 1997 a one-hour documentary on the history of Navy football, titled "Anchors Aweigh for Honor and Glory", was produced by NFL Films. The film was deemed a success by both critics and fans alike. Here are the words:

Stand Navy down the field, Sails set to the sky, We'll never change our course, So Army you steer shy. Roll up the score, Navy, Anchors Aweigh, Sail Navy down the field, And sink the Army, Sink the Army Grey

BILL THE GOAT

The first recorded use of a goat mascot for Navy athletic teams was in 1893 when an animal named El Cid (The Chief) was turned over to the Brigade by young officers of the USS New York. El Cid helped Navy to a 6-4 triumph over Army that year. Two cats, a dog, and a carrier pigeon have also enjoyed brief reigns as the Navy mascot, but goats have served without interruption since 1904.

Bill XXXVI (36) and Bill XXXVII (37) are the current mascots. A group of midshipmen from the 8th company, known as Team Bill, are trained as goat handlers to ensure the goats' safety, security and comfort on the sidelines during football games.

BLUE & GOLD

This song was written in 1923 by Cmdr. Roy de Saussure Horn, USN (Ret.) with music composed by J.W. Crosley. Following every home athletic competition, the team faces its fans with its hand on its heart and sings the following:

Now, colleges from sea to sea May sing of colors true; But who has better right than we To hoist a symbol hue? For sailors brave in battle fair, Since fighting days of old, Have proved the sailor's right to wear The Navy Blue and Gold

HISTORY

ENTERPRISE BELL

From the bridge of the famed World War II aircraft carrier, it has been a part of the Naval Academy tradition since 1950. The late Admiral Harry W. Hill, then Superintendent, was instrumental in bringing the "E" Bell to Annapolis. It rings during special ceremonies honoring the sports teams that won the N-Star against Army. The bell is stationed in front of Bancroft Hall.

MIDSHIPMAN

The word midshipman first appeared in English in the 17th century in the form of the word midshipman to designate those men who were stationed "amidships," i.e. in the waist or middle portion of the vessel, while on duty. By 1687, however, the second 's' had been dropped to give the current form of the word. Midshipmen were originally boys, sometimes as young as seven or eight, who were apprenticed to sea captains to learn the sailor's trade.

In the early days of the American Navy, midshipmen trained aboard ship until they were eventually commissioned as ensigns. With the founding of the Naval Academy in 1845, it became possible, as it still is, for a midshipman to enter the Navy directly from civilian life. The name of students at the Naval Academy changed several times between 1870 and 1902, when Congress restored the original title of Midshipman, and it has remained unchanged since.

ATHLETIC FAGILITIES

Navy is dedicated to providing its student-athletes top-notch game day and practice atmospheres in every sport. Navy annually ranks among the league leaders in attendance in nearly every sport, and has hosted numerous Patriot League and NCAA Championship events. Recently, many of the facilities have undergone extensive renovations, showing Navy's commitment, dedication and passion to provide the very best for its athletes.

Navy has played host to the NCAA Men's Lacrosse Quarterfinals six times, the NCAA Women's Lacrosse Championship Weekend, the season-opening Veterans Classic for men's basketball featuring some of the top teams in the country including two teams that went to the Final Four the same year they participated, Michigan State and North Carolina, the College Squash Association Individual Championship, the CWPA Eastern Water Polo Championship, the EIWA Wrestling Championship, the NCAA Zone Diving Championship, the ECAC Swimming Championship, the Women's Intercollegiate Sailing National Championship, the ECAC and the USAG Collegiate Gymnastics Championship, is the yearly home of the Military Bowl and in 2017 hosted the Naval Academy Baseball Classic exhibition game between the Washington Nationals and Boston Red Sox at Terwilliger Brothers Field at Max Bishop Stadium. In 2018, the Naval Academy hosted an NHL hockey game at Navy-Marine Corps Memorial Stadium between the Washington Capitals and the Toronto Maple Leafs. The Glenn Warner Soccer Facilitiy hosted the U.S. Men's National Team for a 10-day training camp in the summer of 2019.

In addition, Navy has also played host to Patriot League championships in the following sports: men's and women's basketball, men's and women's soccer, baseball, men's and women's tennis, men's and women's indoor and outdoor track and field, men's and women's lacrosse, men's and women's cross country, men's and women's yolleyball and men's and women's swimming and diving.

Navy's facilities have also undergone major renovations and construction improvements, from the building of the \$52 million Wesley A. Brown Field House to a \$64 million overhaul of Navy-Marine Corps Memorial Stadium that gives the Midshipmen a dominant home-field football presence and made the facility the finest in college lacrosse.

The renovation of Ricketts Hall was completed this fall with the 25,000 square foot Ron Terwilliger Center for Student-Athletes at Ricketts Hall (\$27 million), which will provide the public with extensive information regarding the physical mission and will provide much needed program space for the varsity teams including a new auditorium. The center also includes a 5,000 square-foot rehabilitation center for student-athletes.

Other major facility improvements include the \$18.5 million Brigade Sports Complex, the \$18 million Hubbard Hall Rowing facility renovation, a \$10 million renovation to the Lejeune Hall pool that included new tile throughout both the 50 meter pool and dive well, a replacement of the dive towers and the addition of video boards, a \$5 million renovation of Rip Miller Field (removed crown, installed vertical drainage, replaced bleacher and press box), the \$1.8 million Willis Bilderback-

Dinty Moore Navy Lacrosse Hall of Fame, a \$6 million renovation at the Naval Academy Golf Course, a \$3 million expansion of the Prager Family squash facility at Halsey Field House that added a doubles squash court, new bleacher seating, digital displays and upgraded team spaces, the \$5 million Prusmack Rugby complex, a \$5.1 million renovation and expansion of the Halsey Field House multipurpose basketball facility giving both teams new locker rooms, player lounges with adjacent film rooms, expanded athletic training room with dedicated hydrotherapy room and new coaches' locker rooms and a \$1.2 million renovation to Max Bishop Stadium (baseball) for lights and a new video board.

Other facility improvements have included the Athletic Hall of Fame at Lejeune Hall, a new scoreboard and outdoor track surface for men's and women's track & field at Ingram Field, Ricketts Hall training room expansion, a new video board at Alumni Hall, a new press box at the Glenn Warner Soccer facility, new hammer throw venues for track & field, installation of FieldTurf in Halsey Fieldhouse, a new scoreboard at Lejeune Hall and new wrestling locker rooms, as well as major renovations at Macdonough Hall for water polo.

Navy-Marine Corps Memorial Stadium was initially renovated with the first of three phases over a four-year time period (2002-05) and transformed into a state-of-the-art multi-use facility hosting Navy football, sprint football and men's and women's lacrosse as well as a myriad of other local, regional, national and international events.

A fourth phase (2011-15) of renovations enhanced the venue's recruiting suites, hospitality facilities, scoreboards and locker rooms.

The \$78M project was privately funded by the Naval Academy Foundation and the Naval Academy Athletic Association (NAAA). 360 Architecture of Kansas City, Kan. and Alt, Breeding, Schwarz of Annapolis, Md. directed the design.

The newest components include two state-of-the-art video scoreboards, chair back seating, ADA seating platforms and access ramps, concession stands, end zone seating, luxury suites, and additional sideline seating created by lowering the playing field to give the stadium a more intimate look and feel.

In 2004, a 12,000 square-foot banquet facility was constructed to host class reunion dinners and other Naval Academy functions.

The first floor Admiral William Lawrence N-Room houses plaques listing the names of all USNA varsity letterwinners and can seat 600 for a banquet or formal dinner.

The second floor is the home of the Bilderback-Moore Navy Lacrosse Hall of Fame. The James H.H. Carrington Room is part of the Hall of Champions that displays lacrosse photos, trophies, memorabilia and a multimedia presentation representing the proud tradition of Navy lacrosse.

The banquet rooms are serviced by a full kitchen and bar areas with a fully-integrated audio and video system that features ten large screen televisions and the ability to give business presentations on both levels of the banquet facility.

The banquet facility is just one of many hospitality areas located in the stadium complex. Ten sideline suites are located on the lower east side of the stadium and

eight in the south end zone. Large party tents are utilized with great views of the field in the southeast and southwest corners of the facility. Class reunions are frequently held in Class Ring North, located behind the battle arches in the north end, offering alumni an in-stadium tailgating opportunity.

A renovated press tower was completed prior to the 2004 season.

The fourth level, named the Flag Bridge, was erected under the old press area in the seating bowl. It has 71 permanent seats in front of additional stools, tables and chairs which allows for flexibility in hosting game day viewing or special events on non-game days.

The fifth level is dedicated to the writing press, radio booths, coaches' booths, scoreboard, public address and operations areas and the sixth level holds six suites.

In 2005, the lower concourse restrooms were expanded and the concourse was totally resurfaced. A major change to the stadium came with the installation of a new synthetic field surface which allows the stadium to be used 365 days a year.

In the summer of 2010, four luxury boxes, a television booth and camera locations were constructed on the Upper East Side. The relocation of the television production allows television to better capture the Navy sideline and Brigade of Midshipmen. In order to enhance the Stadium's ADA capabilities, two new elevators make stops at the lower portion of the upper deck to allow for fans to access their seats via a pedestrian bridge.

In the summer of 2011, a new playing surface was installed at Navy-Marine Corps Memorial Stadium. The monoblade monofilament turf system was installed by FieldTurf making Navy the first FBS program with this type of field.

In the summer of 2013 two new state-of-the-art high-definition video boards were installed, the brand new construction of two enclosed recruiting and hospitality reception areas (Yeager and Minter Pavilions) were completed in the south end zone

INECORPS SEADUM

and the home team locker from was completely refurbished. The Yeager Pavilion, on the press box side of the stadium, is also home of the Cmdr. Michael B. Clark and Lisa Quadrini Postgame Media Center.

In the summer of 2014, following a private dedication, the east tower formally became known as Akerson Tower, named in honor of distinguished Naval Academy graduate, Daniel F. Akerson '70. Additionally, two identical club lounges (The Athletic and Scholarship Programs Trustee Club and the 1963 Football Team Club), with dedicated seating, were constructed on either side of the existing Akerson Tower upper-level suites to provide a premium game day experience for up to 350 people. The two clubs officially opened before the 2015 season. Two additional suites were also added with the new club level.

In 2016, a new south end zone video board was added to match the exact size and dimensions of the north end board. This gives the stadium two of the largest boards in the country in venues of comparable size.

The stadium also got new Field Turf in the summer of 2019.

In the summer of 2021, ALL IN nameplates were affixed to a section of benches in the midshipmen seating area. The name plates represent those season ticket holders who donated their 2020 football season tickets during the Coronavirus pandemic. Due to county and state health guidelines, general public fan attendance was prohibited during the 2020 football season in Annapolis.

The multi-purpose nature of Navy-Marine Corps Memorial Stadium has allowed it to play host to six NCAA Men's Lacrosse Quarterfinals, the 2005 NCAA Women's Lacrosse Championship, the 2005 Women's Lacrosse World Cup, the 2013 First and Second Rounds of the NCAA Women's Lacrosse Tournament, Major League Lacrosse games, as well as numerous high school, professional and local youth events. The stadium is the home of the Military Bowl and the site of several Baltimore Ravens'

practices. In March of 2018 it hosted an NHL game between the Washington Capitals and the Toronto Maple Leafs and a DC United soccer game.

The memorial aspects of the original structure were preserved and enhanced during the renovations. More than 8,000 chair back memorial plates were removed, refurbished and reinstalled in the new seats. Hundreds of memorial plaques received the same treatment and are featured on the Memorial Plaque Wall in the North Memorial Plaza. Battle arches and class arches have been constructed to tell the illustrious story of the Naval Services. Each combination of battle arches contains a history lesson on the left arch and a description of the particular battle on the right. Each and every battle fought by either the Navy or Marine Corps is depicted through the use of color-coded battle streamers allowing visitors to chronologically view the story of the brave men and women who we honor for their service to our country. There was also an arch dedicated to those that went on to serve in the Air Force.

The stadium was rededicated on Oct. 8, 2005 before Navy's annual battle with Air Force. The Mids won the game 27-24.

The dedication plaque for Navy-Marine Corps Memorial Stadium reads as follows:

"This Stadium is dedicated to those who have served and will serve as upholders of the traditions and renown of the Navy and Marine Corps of the United States.

May it be a perpetual reminder that the Navy and Marine Corps are organizations of men trained to live nobly and serve courageously in peace, champions of our integrity; in war, defenders of our freedom."

NAVY-MARINE CORPS MEMORIAL STADIUM THE CONSTRUCTION

Navy unveiled its newest pride and joy, the \$3 million dollar Navy-Marine Corps Memorial Stadium, before 25,000 spectators by beating William & Mary, 29-2, on Sept. 26, 1959. Joe Bellino scored the first points in stadium history on a 53-yard touchdown run, while fullback Joe Matalavage rumbled for an 86-yard touchdown run. Quarterback Jim Maxfield led the Navy offense to two more touchdowns as the Midshipmen piled up 289 yards rushing while holding The Tribe to just 101 yards of total offense.

"I remember that we were all very proud of our new stadium and so impressed with how big and beautiful it was," Jim Dunn, an offensive center and captain of the 1959 squad, told the Annapolis Capital. "That stadium really helped put Navy football on the map. It made home games much more of an event."

Plans to construct a new stadium actually began more than two decades before and in 1939, the Naval Academy Athletic Association bought a 106-acre tract of farmland in West Annapolis.

By 1941, architects had completed preliminary plans and specifications, so rough grading of the former Davis-Smith site began.

However, World War II intervened and delayed construction of the stadium until 1956. That is when a survey showed the available athletic space for the Naval Academy intramural program to be woefully inadequate. Demolishing Thompson Stadium, home to Navy football since 1912, would free up five acres of valuable on-campus space for outdoor exercise activities.

Thompson Stadium had become terribly outdated in terms of seating, parking and other amenities and had deteriorated tremendously during its 48-year existence.

Academy officials estimated it would require \$300,000 in renovations just to restore the stadium to limited utility without adding another seat, parking space or improved facilities. As a result, a drive to raise private funds for a new stadium began and was coordinated by Rear Admiral William R. Smedberg III, Superintendent of the Naval Academy at the time. Captain Eugene B. Fluckey served as campaign director and is credited with generating contributions that more than covered the cost of constructing the stadium. The stadium was funded by thousands of dedicated alumni, sailors, marines and friends of the United States Naval Academy, who donated the \$3 million in private gifts. As a result, Navy was able to build a stadium that was worthy of its great football tradition.

"Thompson Stadium wasn't much to speak of. It was like a high school stadium to most of the players," quarterback Joe Tranchini told the Capital. "Navy-Marine Corps Memorial Stadium was definitely a major upgrade."

A portion of this story was reprinted from the Annapolis Capital.

NAVY-MARINE CORPS MEMORIAL STADIUM

THE DANIEL F. AKERSON TOWER

The east side tower of Navy-Marine Corps Memorial Stadium was officially dedicated the Daniel F. Akerson Tower in a private ceremony on May 1, 2014. Dan '70 and Karin Akerson established the largest private gift in Naval Academy history with their \$20 million commitment to the school, a significant portion of which served as the lead gift for the Phase IV renovations to Navy-Marine Corps Memorial Stadium that commenced in the summer of 2013. Their generous contribution paved the way for the installation of two new state-of-the-art high-definition video boards, the construction of two enclosed recruiting and hospitality reception areas in the south end zone, the complete refurbishment of the home team locker room and the construction of two premium club lounges on the upper level of Akerson Tower adjacent to the stadium's existing upper-level suites.

THE FREDERICK & DIANE SMITH ATRIUM IN AKERSON TOWER

Located outside the main elevators in Akerson Tower, the Frederick & Diane Smith Atrium was dedicated in 2019. In recognition of a leadership contribution from the Smith's towards the Phase IV renovations at Navy-Marine Corps Memorial Stadium, the Atrium was named in their honor. This space serves as a lasting tribute in recognition of fellow Marines who fought together in Viet Nam, and in honor of those who made the ultimate sacrifice.

ATHLETIC & SCHOLARSHIP PROGRAMS TRUSTEES CLUB

Located in the south club of Akerson Tower, the Athletic & Scholarship Programs Trustees Club was formally dedicated in the spring of 2016. In recognition of a \$3 million dollar commitment to establish a sustainment and preservation fund for Navy-Marine Corps Memorial Stadium and for over seven decades of dedicated support by the USNA Foundation's Athletic & Scholarship Program Trustees, this space will serve as a lasting tribute to the organization's commitment to Navy athletics.

CMDR. MICHAEL B. CLARK & LISA QUADRINI POSTGAME MEDIA CENTER

Located inside of the Yeager Pavilion, the Cmdr. Michael B. Clark '69 & Lisa Quadrini Postgame Media Center serves as the site for the Navy football program's postgame media interviews. Professional grade audio-visual equipment allows the space to be converted from its in-game hospitality use to its postgame media use. Six video monitors throughout the room ensure that all attendees can have a front-row seat during the Midshipmen's postgame interviews.

THE REAR ADM. HAMILTON LOCKER ROOM COMPLEX

The Rear Adm. Thomas J. Hamilton Locker Room Complex at Navy-Marine Corps Memorial Stadium was officially dedicated at the opening game of the 1992 season. The \$800,000 facility includes home and visiting team locker rooms, training rooms, an officials' dressing area and an office for the stadium supervisor. There are separate dressing and shower areas for coaches in each of the locker rooms. The locker rooms accommodate approximately 100 players and coaches for each team. The 16,000-square-foot structure is of masonry construction and is completely air conditioned. The facility actually includes two buildings and incorporates the arch which has been a traditional part of the entrance at the south end of the stadium. The arch was refurbished to match the decor of the complex. The home team locker room was renovated in the summer of 2013.

CHARLES S. MINTER JR. '37 PAVILION

The gold side recruiting suite was officially dedicated as the Vice Admiral Charles S. Minter Jr. '37 Pavilion in the fall of 2018. Dave '79 and Susan Rich made a leadership commitment towards the Phase IV renovations at Navy-Marine Corps Memorial Stadium and named the Pavilion in honor of Vice Admiral Minter. Vice Admiral Minter served as Commandant of Midshipmen and Superintendent of the United States Naval Academy. The Minter Pavilion provides a versatile space, and is used for hosting prospective midshipmen student-athletes, entertaining athletic donors, holding postgame press conferences, and catering to other special events on non-football weekends.

JACK STEPHENS FIELD

The United States Naval Academy Campaign: Leaders to Serve the Nation received a \$10 million gift from Mr. Jackson T. Stephens of Little Rock, Arkansas in 2003. The late Mr. Stephens was a 1947 graduate of the Naval Academy and the former Chairman of Stephens Group, Inc. His gift supported the renovations of Navy-Marine Corps Memorial Stadium, the Class of 1947 Legacy project to benefit the Academy's Museum, and other important Campaign priorities. The field at Navy-Marine Corps Memorial Stadium is named "Jack Stephens Field" in his honor.

TERWILLIGER FAMILY SCOREBOARD

The Terwilliger Family is honored to have the north scoreboard named after it for its contribution to the Naval Academy and to the Navy-Marine Corps Memorial Stadium renovation project. Ron Terwilliger is a member of the Class of 1963. His brother Bruce is a member of the Class of 1965. Both were varsity athletes, scholars and served on active duty upon graduation. They are honored to give back to the Naval Academy, which gave so much to them.

MIKE & ROBIN YEAGER PAVILION

The blue side recruiting suite was officially dedicated as the Mike & Robin Yeager Pavilion in the fall of 2015. Mike '76, was an outstanding football player at the Naval Academy before serving in the Marine Corps and pursuing a successful career in the energy industry. He and his wife, Robin, made a significant contribution towards the Phase IV renovations to Navy-Marine Corps Memorial Stadium. Their pavilion provides a versatile space, suitable for hosting prospective midshipmen student-athletes, entertaining athletic donors, holding postgame press conferences and catering to a variety of other uses on non-football weekends.

1963 NAVY FOOTBALL TEAM CLUB

Located in the north club of Akerson Tower, the 1963 Navy Football Team Club was formally dedicated in the fall of 2018. In recognition of the team members' significant contribution towards the Phase IV renovations at Navy-Marine Corps Memorial Stadium, this space serves as a lasting tribute to the team. The 1963 team, one of Navy's all-time best, was coached by Wayne Hardin and the captain was Tom Lynch. Roger Staubach won the Heisman Trophy while leading the Midshipmen to a 9-1 regular-season record and a final ranking of No. 2 in the nation.

FOOTBALL FACILITIES

RICKETTS HALL

Navy's football team has the use of one of the top facilities in the country in Ricketts Hall. A \$12 million renovation of Ricketts Hall has provided upgraded meeting rooms for the football team, offices for the football coaches, a player's lounge for the football team and offices for the Naval Academy Athletic Association administrators, business and ticket offices, sports information and sports promotions and marketing.

In 2004, a renovation was completed that added a trophy and reception room, as well as new football offices and meeting rooms.

In 2007, the weight room was renovated with new lighting, synthetic turf sprint lanes and a new paint scheme. The football locker room was also completely renovated to increase the size of the facility, which included a player's lounge area complete with big screen televisions and video games.

In 2011, the training room was completely renovated, as were Rip Miller Field and the coaches locker rooms.

In 2014, a new turf field was installed on Rip Miller Field that was identical to the turf at Navy-Marine Corps Memorial Stadium.

In 2015, a new 1,800-square-foot lounge with a glass wall overlooking the weight room was added, as well as a newly created nutrition room, renovated office space for six strength and conditioning coaches and a new 1,350 square-foot football coaches locker room adjacent to the coaching offices on the third floor

The most recent addition is the Ron Terwilliger Center for Student-Athletes at Ricketts Hall, which will be a must-see destination for Navy recruits and visitors to the Academy. This state-of-the-art facility will illustrate the Academy's robust physical mission, showcase Navy's rich and vibrant athletic history and celebrate the achievements of Navy's student-athletes on and off the field. The facility is designed to contain an immersion theater, a 250-seat auditorium, an Army-Navy tribute exhibit, an executive conference room and an interactive display that celebrates the many facets of midshipmen student-athletes.

Ricketts Hall is named after Admiral Claude Vernon Ricketts, a 1929 graduate who played end for the Midshipmen, earning a varsity letter in 1928. During the battle at Pearl Harbor, Ricketts received a Letter of Commendation for his efforts to save his ship and his mortally wounded captain. He later became Commander Second Fleet and then assumed duties as the Vice Chief of Naval Operations.

THE CLASS OF 1972 SPORTS PERFORMANCE AND REHABILITATION FACILITY

A new state of the art rehabilitation center will be opening this fall to service all Midshipmen athletes. It will consist of six treatment tables with modalities ranging from a Hivamat to Gameready, plus a fully operational Physicians Clinic to provide initial care or follow-up care. There will also be a designated space for our athletes to utilize recovery equipment. The recovery area will consist of Vibe Plates, foam rollers and five Deluxe Lounge chairs that recline and allow the student athlete

to utilize a compression garment created by Recovery Pump. Another key item that will be utilized in this area is a piece of rehabilitation equipment created by Delos. It helps prevent and rehabilitate lower body injuries by providing instant feedback and allows the athlete to have better proprioceptive output. Well As the athlete departs the rehabilitation center, they will be able to utilize a Grab and Go nutrition center in order to continue with the recovery process and to stay fueled up for practice or competition. The 1972 Sports Performance and Rehabilitation Facility was made possible through a leadership gift from the Class of 1972.

STAUBACH LOCKER ROOM

The football locker room, which is named after 1963 Heisman Trophy winner Roger Staubach, was completely renovated in the summer of 2019 and includes 175 custom built lockers.

THE RED ROMO TRAINING CENTER

The Romo Physical Training Center, which is named for Navy's former athletic trainer the late Leon (Red) Romo, incorporates a state-of-the-art rehabilitation therapy pool, Hydroworx, for use by athletic teams and the Brigade of Midshipmen, an AlterG anti-gravity Treadmill, a computerized injury management system which will network with all other training rooms around the Naval Academy and with the Naval Academy Medical Department, updated equipment and treatment modalities and a doctor's examination area with a portable x-ray unit and self chilling cold whirlpools.

JACK LENGYEL STRENGTH & CONDITIONING FACILITY

Overlooking the Severn River and the Chesapeake Bay sits the Ricketts Hall weight room.

Bryan Fitzpatrick and his strength and conditioning staff instruct the Midshipmen in their daily workouts. Programs are structured to help the athletes maximize their overall athletic abilities. A variety of speed/strength workouts are organized throughout the year, both in-season and off-season. Olympic-style lifts, which include the snatch and the clean and jerk, are the core exercises used at the Naval

Academy. Variations of these lifts, along with squatting and pressing exercises, are performed during each workout. Flexibility, speed and agility development, conditioning and nutritional information are the final components of each daily workout.

Encompassing 12,000-square feet of prime weightlifting space, the Midshipmen complete their speed/strength workouts on:

- 24 Rogers Pendulum Half Racks (each station includes):
- Plae Olympic platform
- · Multi-purpose cable pulley unit
- Dip bars
- Pull up bars
- Hyper-extension
- · Multi-purpose bench
- 500+lbs of Intek weights plus bar
- 12 Intek dumbbell stations 20lbs-135lbs
- 12 Rogers Pendulum 5-way Neck mechanics
- 12 Rogers Pendulum Glute Hams
- State-of-the-art speed development equipment which includes a 10x20 yard indoor turf
- 12 Rotating 65" flat screen TV's with integrated high tech computer system split into 4 separate zones, used to post individualized workout programs, messages, timing clocks and training videos all of which are connected to a 3,000-watt speaker system for premium sound. The system also has a built in video control system which enables the strength & conditioning staff to video an athlete performing an exercise and play it back instantly to ensure proper technique is being performed.

LYNCH FOOTBALL WARDROOM

The Lynch Football Wardroom, which features a nutritional center, provides Midshipmen football student-athletes a place to gather, relax and re-energize between training, classes and practice. The wardroom was renovated in the summer of 2019 and is named in honor of the Navy Football Brotherhood and the 1963 Navy football team through a leadership gift from Tom Lynch '64, the Captain of the 1963 Navy football team.

CHET GLADCHUK DIRECTOR OF ATHLETICS

In his 20 years as Director of Athletics, Chet Gladchuk has overseen the greatest era in the history of Navy Athletics.

In 2020-21, despite being thrown into constant turmoil due to COVID-19, the Mids still found a way to win 62 percent of their contests (127-78-4) and dominate Army in both the Star (13-7) and overall (17-10) competitions. The Mids won three national championships, 10 conference championships, producted 23 All-Americans, four Academic All-Americans, seven Patriot League Scholar Athletes of the Year, 14 national or conference coaches of the year and 11 conference athletes of the year.

Navy also won the Patriot League Presidents' Cup, which is awarded annually to the member institution with the highest cumulative sports point total based on conference championships and final regular-season standings in sponsored men's and women's sports, for the seventh-straight year and for the eighth time in the last nine years despite the league not holding championships in four sports Navy traditionally dominates (men's and women's swimming & diving and men's and women's indoor track & field). Navy has finished no lower than second in the Presidents' Cup standings in each of the

last 14 seasons and since 2003-04, it has won 40 more conference titles (111) than the next closest school (Bucknell).

The Mids had never won the Presidents' Cup prior to Gladchuk coming to Navy. Navy got it done in the classroom as well with 22 of its 24 NCAA sponsored teams above the national average for their respective sport in the Academic Progress Report.

Gladchuk's efforts have been recognized on a national level. He was one of four finalists in the spring of 2016 for the Sports Business Journal's Athletic Director of the Year award and received the John L. Toner Award from the National Football Foundation in December of 2016, which recognizes an athletics director who has demonstrated superior administrative abilities and shown outstanding dedication to college athletics and particularly college football. Gladchuk was lauded for engineering the move to the American Athletic Conference for football, which will secure Navy's future as a strong FBS program for years to come.

Gladchuk won the Bobby Dodd Athletic Director of the Year Award in 2005. The award is presented in recognition of an athletic director's support and commitment toward the successful advancement of the department, most specifically in the sport of football. Additionally, he was recognized by the Secretary of the Navy for his contributions and service to the Navy and the Naval Academy with the Superior Public Service Award to the Department of the Navy.

Gladchuk has been able to parlay Navy's athletic success into a television deal with CBS Sports Network that has increased Navy's television exposure both in the United States and internationally. CBS Sports Network, the first 24-hour college sports network, televises every Navy home and select neutral site football games (excluding Notre Dame and Army which are televised nationally by CBS), as well as other Midshipmen men's and women's athletic events, original programming and

documentaries centered on the storied Navy athletic program. The long-term, multi-media agreement includes internet streaming, broadband and video-on-demand rights and high definition rights. A major part of the agreement was that all home football games would be played on Saturday for the convenience of the Navy alumni. Navy sports are seen all over the world with the international distribution of Navy programming, especially to the troops serving abroad. Navy's contract with CBS Sports Network runs through 2027. In addition, as a member of the American Athletic Conference for football, every road game is now televised.

Gladchuk has also added radio giants WBAL (1090 AM) in Baltimore and WFED (1500 AM, 1050 AM, 820 AM) in Washington D.C./Northern Virginia to Navy's radio network. WBAL Radio, which is also the home of the Baltimore Ravens, is Maryland's dominant and most powerful radio station. WFED Radio, which is also the home of the Washington Nationals, is a 50,000-watt station that will air a minimum of 10 regular-season football games.

Since being introduced as the Academy's 28th Director of Athletics on Sept. 4, 2001, Gladchuk has

pressed forward on numerous fronts with energy and vision. From the hiring of some of the top coaches in the country to the renovation of Navy-Marine Corps Memorial Stadium, Gladchuk has made improvements in several key areas that will prove more success on the athletic fields for years to come.

During Gladchuk's tenure at the Naval Academy, he has seen the Midshipmen win three national championships, 203 conference titles, produce 286 All-Americans and 109 Academic All-American honors.

He has embraced the local community and alumni base and is an often-requested speaker, visiting areas all over the country as he shares the vision of the Naval Academy and the Naval Academy Athletic Association.

Gladchuk's biggest impact on the Naval Academy has been the \$78 million renovation of Navy-Marine Corps Memorial Stadium where under his leadership the stadium was completely refurbished over a 10-year time frame. Gladchuk has worked closely with the city, county, state and neighborhood associations to ensure proper communication and sensitivity to issues that benefit both the NAAA and community at large. The NAAA was awarded the Green Star award by former Annapolis Mayor Ellen Moyer for commitment to the environment during the ongoing renovation of Navy-Marine Corps Memorial Stadium.

Gladchuk and the NAAA have also teamed up with the Naval Academy Foundation to raise private funds for facilities such as the Brigade Sports Complex (golf, tennis, hockey and rugby), Max Bishop Stadium (baseball), varsity squash courts, various team locker rooms and a number of practice facilities. Over the past decade, more than \$200 million dollars has been raised in support of the physical mission and intercollegiate athletics.

Other highlights during Gladchuk's tenure at the Naval Academy include the

renegotiation of the Army-Navy contract which resulted in over \$46 million to the two schools over an eight-year period, scheduling Maryland, Notre Dame, Ohio State and Army at M&T Bank Stadium in Baltimore to promote Navy football in the community, negotiating the extension of the Navy-Notre Dame football game television contract with CBS through 2018 and the Army-Navy contract with CBS through 2028 and negotiating bowl deals with the Houston, Emerald, Poinsettia, Meineke Car Care, EagleBank, Texas, Armed Forces and Military Bowls.

Gladchuk is heavily involved with NCAA, the American Athletic Conference and Patriot League committees. He was selected to serve on the NCAA Leadership Council, which is one of the highest NCAA appointments an athletic director can realize. The council helps set the Division I legislative agenda and advises the NCAA regarding major legislative issues being considered.

Gladchuk has been on the NACDA (National Association of Collegiate Athletic Directors) Executive Committee and currently serves as the Chairman of the Executive Committee in the Patriot League and a member of the NCAA Olympic Sport Liaison Committee.

Gladchuk came to the Naval Academy from the University of Houston, where he had been the Director of Athletics for four years and guided the Cougars to 19 Conference USA Championships, while making significant strides in the academic success of their student-athletes, gender equity and fiscal management.

Before Houston, Gladchuk was the Director of Intercollegiate Athletics, Intramurals and Recreation for seven years at his alma mater, Boston College. Under Gladchuk, Boston College emerged as one of the NCAA's elite programs of the 1990s winning numerous Big East and NCAA Championships. The school's graduation rate for all student-athletes was over 90 percent and the Eagles won the College Football Association's Academic Achievement Award for the highest graduation rates among all Division I schools in three of his last five years at Boston College. Gladchuk led the Alumni Stadium expansion effort, which resulted in a \$35 million improvement to the football stadium.

Prior to rejoining Boston College, Gladchuk served as AD at Tulane University from 1987-90. During his tenure, he directed the reinstatement of the Green Wave

basketball program to Division I status. In addition, he oversaw the construction of new facilities for the athletics administration as well as baseball, track and field and tennis teams after a \$25 million athletics campaign was successfully completed.

From 1985-87, he served as Associate AD at Syracuse University, heading operations, NCAA compliance, financial aid and facility operations.

Gladchuk lettered in football at Boston College and graduated with honors in business management in 1973. He earned a master's in sports administration from the University of Massachusetts-Amherst in 1974, where he began his career in intercollegiate athletics, including serving for seven years as Director of General Physical Education, Assistant and Associate Athletic Director for the university. He also has served as Director of Athletics and head football coach for the New Hampton (Prep) School in New Hampshire prior to leaving for UMass.

He and his wife, Kathy, have four children: John, a graduate of Loyola Marymount; Katie, a graduate of Boston College; Christie, a graduate of Trinity; and Julie, a graduate of the University of North Carolina.

ACADEMIC ACHIEVEMEN

FIRST-RATE FACULTY AND STAFF

The Naval Academy's philosophy of education stresses attention to individual students by highly qualified faculty members who are strongly committed to teaching. Classes are small, with an average size of fewer than 18 students and a student-faculty ratio of 8:1. All courses at the Naval Academy are taught and graded by faculty members, not by graduate assistants.

Our 600-member faculty is an integrated group of officers and civilians in nearly equal numbers. Officers bring fresh ideas and experiences from operational units and staffs of the Navy and Marine Corps. The academy's civilian faculty members give continuity to the educational program and form a core of professional scholarship and teaching experience. Working together closely, these military and civilian faculty members form one of the strongest and most dedicated teaching faculties of any college or university in the United States.

MAJORS

Students at the Naval Academy can select one of 25 different majors grouped into six different divisions: Division of Engineering and Weapons, Division of Mathematics and Science, Division of Humanities and Social Sciences, Division of Professional Development, Division of Leadership Education and Development, and the Division of Character Development and Training. In addition to graduating with a Bachelor's of Science, students can attain a minor in one of seven different languages: French, German, Spanish, Russian, Japanese, Arabic and Chinese.

Students who excel at the Naval Academy have many opportunities to challenge and advance themselves through several special programs -- Trident Scholars, Honors Programs, and Voluntary Graduate Education Program (VGEP).

ACADEMIC PROGRESS REPORT

Twenty-two of Navy's 24 NCAA sponsored varsity sports programs rank above the national average in their respective sport in the NCAA Academic Progress Report. Football's APR is a 988, while the national average is 964.

The Academic Progress Rate is a real-time measure of eligibility and retention of student-athletes competing on every Division I sports team. The APR awards two points each term to student-athletes who meet academic-eligibility standards and who remain with the institution. A team's APR is calculated by the total points earned by the team at a given time divided by the total points possible.

SENIOR CLASS AWARD

Sydney Fortson ('20) was named the 2019 Senior CLASS Award winner for women's soccer, becoming the third Navy student-athlete to win the award. The Senior CLASS Award was started in 2001 by Dick Enberg in response to the growing trend of men's basketball players leaving school early for the NBA. The award honors the attributes of senior student-athletes in four areas: classroom, community, character and competition. Evan Barnes of the men's soccer team ('08, 2007 winner) and Ricky Dobbs of the football team ('11, 2010 winner) have also won the award.

SCHOLARSHIP WINNERS

In addition to furthering their education at schools across the country, students at the Naval Academy annually are in competition for several prestigious scholarships. Since Navy's first Rhodes Scholar, E. Van Meter ('28), a total of 52 Naval Academy graduates have received the Rhodes Scholarship, including 2013 graduate Katie Whitcombe, a member of the women's track and field team. Also, 30 Mids have earned George C. Marshall Scholarships – most recently Christian Hoffman ('20, offshore sailing) who will attend the University of York in England to pursue a master's in physical and theoretical chemistry. He is also a Stamps Scholar and a Trident Scholar.

Standout swimmer Kelly Zahalka ('09) was a recipient of both the Harry S. Truman and Gen. George C. Marshall Scholarships, which paved the way for her to study for two years in the United Kingdom. Katie Davidson ('13) of the women's swimming team and Ronald Allen ('13) of the sprint football team won Marshall Scholarships in 2013.

Former women's track and cross country runner Kayla Sax ('10) was awarded a Gates

COMMUNIT SERVICE

The men and women of the United States Naval Academy have committed themselves to the service of our nation. During their four years in Annapolis, the Midshipmen demonstrate their willingness to give by taking part in several community service events.

From outreach opportunities such as autograph sessions following athletic events, to working with underprivileged youths, the student-athletes at Navy give back to the area they call home during their college years.

Due to COVID-19, the Mids were limited in what they could do during the 2020-21 academic year with community service. The following are a few examples of community service opportunities performed by Navy athletics during the 2019-20 and 2020-21 academic year.

BASEBALL

In 2019-20, the baseball team participated in the Bob Feller Act of Valor Ceremony.

MEN'S BASKETBALL

In 2019-20, the team held a free basketball clinic in November for children K-6th grades on campus in Halsey Field House, spending time teaching the fundamentals of the game and sharing the importance of working hard and staying in school. The team also continued its relationship with Sully Shields, a local youth cancer survivor and has continued to foster a tight-knit and valuable relationship with the child. A coach and player were guests at the Ryan Seacrest studios at Children's National Hospital in the fall and spent time talking with other cancer patients at the hospital. Sully continues to be an honorary assistant coach and sits on the bench during all home games throughout the year. A group of players went to Annapolis Middle School and spoke to around 75 students about being a midshipman. The player talked about working hard, being a good student and surrounding yourself with the right people. They also fielded questions from the students. A group of players went to the Naval Academy Primary School to speak to the students about what it is like to go to Navy.

In 2020-21, the team worked with the Baltimore YMCA and participated in a program called New Horizons II. The players were involved in monthly virtual meetings with Baltimore youth, to discuss academics, life choices, budgeting, service and more.

WOMEN'S BASKETBALL

In 2019-20, the team participated in the "Score for Schools" program, where the team goes to elementary/middle schools and gives motivational talks to the students at assemblies, instructed at basketball clinics at NSA Annapolis and was involved with the Back to School Backpacks Project, where the team adopted an underprivileged child in Annapolis and gave them a backpack with the school supplies they needed. Women's basketball was also involved in a "Pink Game" for breast cancer awareness, "We Back Pat Game" for Alzheimer's awareness and conducted a free basketball clinic at Halsey Field House.

FOOTBALL

In 2019-20, The football team adopted Devin, who was part of the Friends of Jacqueline program, and made him part of the team for the season as he attended practices and home games. Members of the football team, including head coach Ken Niumatalolo, visited the St. Jude's Children's Hospital in Memphis as part of the Liberty Bowl festivities.

MEN'S GYMNASTICS

In 2020-21, the team participated in the Making Waves Swimathon for Diversity, raising over \$800 for swimming opportunities in impoverished areas. The team also participated in the Salvation Army's Giving Tree and provided clothing and gifts to four children in need in the Annapolis area (1 child per class). The team also produced a Martin Luther King Junior Day Video, releasing a video on social media on what MLK Day means.

WOMEN'S LACROSSE

In 2019-20, members of the team surprised Wheatley Elementary School in Washington D.C, where they delivered gifts they collected for kindergarteners. The team also participated in the Travis Manion 5k while volunteering at the race for the Wings for Val Foundation. The team helped lead a group of youth through stretching and the run/walk.

In 2020-21, the team participated in the Giving Tree around the holiday season. Senior captain Caroline Kwon organized the giving for the entire brigade and each member of the women's lacrosse team contributed gifts to charity. The team also participated in the Travis Manion 5k on the Yard this year in coordination with the Wings for Val Foundation.

WOMEN'S SOCCER

In 2019-20, the team volunteered at Gigi's Playhouse (an Annapolis Down syndrome achievement center) and head coach Carin Gabarra attended a Fundraiser for Gigi's Playhouse and assisted young adults with Down syndrome in greeting members of the community and sharing the mission of Gigi's Playhouse. ANNAPOLIS AND THE CHESAPEAKE REGION

The Naval Academy is located in historic Annapolis, the capital of Maryland. In 1650, Puritans seeking religious freedom nestled into a spot on the western shore of the Chesapeake Bay and called their new town Providence. Settlers soon spread across the Severn River to the land that now makes up Maryland's capital city. The small settlement grew and was renamed Anne Arundell in 1694 in honor of Lord Baltimore's wife.

Governor Francis Nicholson chose the growing town on the Severn as the new provincial capital because of its central location. He rechristened it Annapolis in 1695 in honor of King James II's daughter, Princess Anne, who became Queen of England in 1702. Annapolis was granted a royal charter as a city in 1708.

Annapolis became the nation's first peacetime capital in 1783. From November 1783 to August 1784, the Continental Congress met in the Maryland State House. It was here that they accepted George Washington's resignation as commander-in-chief of the Continental Army and ratified the Treaty of Paris, ending the Revolutionary War. The Maryland State House is the oldest in continuous legislative use in the country. It is also the first and only State House to serve as the nation's capitol.

The colonial heritage of Annapolis is still evident as the city boasts more brick buildings from the 1700s than any other city in the country.

The heart of downtown Annapolis has also been designated a National Historic District and a National Historic Treasure. Many fine examples of colonial architecture, including the Maryland State House, Hammond-Harwood House, Chase-Lloyd House and the William Paca House and Gardens, are open to visitors.

In August, 2009, Annapolis was named a Top Ten finalist for the International Award for Livable Communities, a competition focused on creating livable communities through sound environmental practices.

Annapolis is located on the western shore of the Chesapeake Bay, the largest estuary in the United States. The Chesapeake provides natural environs, sightseeing, sailing, fishing, kayaking and more, helping Annapolis become America's Sailing Capital. The water-lover will also revel in the fact that Maryland has nearly 4,000 miles of shoreline – more than any other state.

Within 30 minutes of Annapolis lies both Washington, D.C., and Baltimore, providing entertainment and sightseeing opportunities for residents and tourists alike.

MIDSHIPMEN IN PROFESSIONAL FOOTBALL

The Naval Academy has produced several significant NFL players, including Hall of Fame quarterback Roger Staubach of the Dallas Cowboys, Raiders running back Napoleon McCallum and New York Giants wide receiver Phil McConkey. In 2017, record-setting quarterback Keenan Reynolds was drafted in the sixth round by the Baltimore Ravens.

NATIONA LIGHT

Every time one of our Midshipmen student-athletes dons the Navy Blue and Gold, he or she represents the Brigade of Midshipmen, United States Naval Academy, United States Navy & Marine Corps, and the United States of America.

The Navy football program has had 183-consecutive games televised by either CBS, NBC, ABC, CBS Sports Network, Fox Sports Network, ESPN, ESPN2, ESPNU, ESPNEWS or ESPN+.

Whether it is CBS, CBS Sports Network, Showtime, ESPN, the Washington Post or the Annapolis Capital/Baltimore Sun, the varsity athletic programs at the United States Naval Academy are given the platform to tell the much bigger story of our United States Navy & Marine

In 2011, Showtime produced a documentary chronicling the annual Army-Navy Game, and in 2017 the network followed the Navy program for 13 episodes of "A Season with Navy Football." Navy was the third college football program featured in the Showtime series, following Notre Dame in 2015 and Florida State in 2016.

The national exposure given to our athletic programs is invaluable to our overall mission and with the move of the football program to the AMERICAN ATHLETIC CONFERENCE, it has increased substantially.

SEASON OUTLOOK

MIDS BITS

- Navy finished the 2020 season with a 3-7 record and a 3-4 mark in the American Athletic Conference. It was just the third losing season for the Mids in the last 18 years. Navy will return 10 players on offense and 13 players on defense that started multiple games in 2020.

KEN NIUMATALOLO **HEAD COACH**

Ken Niumatalolo enters his 14th season as the head coach at the Naval Academy and his 24th season in Annapolis overall

Navy has had 10 winning seasons and played in 10 bowl games during Niumatalolo's time as head coach, making it one of the greatest eras in school history.

Niumatalolo has repeatedly guided the Midshipmen to success both on and off the gridiron. Included in his accomplishments are a number of milestones never before achieved by a coach or team in the program's 140-year history.

Niumatalolo (101-67, .601) is the program's all-time winningest coach and is the only coach in the history of the

Army-Navy Game to start his coaching career 8-0 against the other Academy. Niumatalolo's nine wins against Army are the most in the history of the Army-Navy Game.

Niumatalolo led Navy to one of the greatest seasons in school history in 2019, winning a school-record tying 11 games against just two losses, winning the Commander-In-Chief's Trophy, sharing the American Athletic Conference West Division title with Memphis and winning the prestigious Liberty Bowl. The Mids' eight-game improvement from 2018 was the second-biggest turnaround in FBS history.

Navy finished the 2019 campaign ranked 20th in both the Associated Press and USA Today Coaches Polls. It marked just the second time in the last 56 years Navy finished in the AP Top 20 (18th in 2015).

Niumatalolo also led Navy to a school-record 11 wins in 2015, which included sharing the West Division title with Houston in Navy's first year in the American Athletic Conference, as well as winning the Lambert Trophy, awarded to the best team in the East, for the first time

He led Navy to its first outright division title in 2016 as the Mids went 7-1 in the AAC and won the West division.

Niumatalolo is the first coach in school history to win four-consecutive bowl games and his six overall bowl wins are the most in school history.

He has led Navy to six Commander-In-Chief's Trophies, which is the most in school history

Niumatalolo was one of just four coaches to be named a finalist for the Dodd Trophy and the Paul "Bear" Bryant National Coach Of The Year Award in 2015 and was a finalist for the Bryant Award again in 2019. He was a Dodd Trophy finalist again in 2016 and was also the AFCA Region 1 Coach of the Year in 2016. In 2019, he won the Stallings Award which is presented annually to a college football head coach who is both a humanitarian and an exceptional head coach.

He has been named American Athletic Conference Coach of the Year three times (2015, 2016, 2019) and the ECAC Coach of the Year twice (2015 and 2019).

In 2013, Niumatalolo was selected to the inaugural class of the Polynesian Football Hall

He is just the second coach since World War II to lead Navy to a winning record in each of his first three seasons at the helm and joins Eddie Erdelatz and Wayne Hardin as the only Navy coaches to beat Notre Dame in consecutive seasons. He beat Notre Dame for a third time in 2016 to tie Hardin as the only Navy coaches to beat Notre Dame three times.

Since joining the American Athletic Conference in 2015, the Mids have compiled a conference record of 30-17, which is the fourth best record over that time period in the conference

Navy finished the 2017 campaign with a 7-6 record and a 4-4 mark in the American Athletic Conference, which included a 49-7 rout of Virginia in the Military Bowl. The 42-point margin of victory was the largest by a Navy team over a team from the autonomy 5 since the Mids beat West Virginia 51-7 in the 1963 season opener. The Mids played eight games against teams that went to a bowl game and played five teams that won 10 or more games.

Navy compiled a 9-5 mark and a 7-1 record in the American Athletic Conference in 2016 despite a season that saw the Mids have 102 missed games by starters or key contributors. The Mids played Temple in the AAC Championship Game and played in a bowl game (Armed Forces) for the 13th time in the last 14 years. The nine wins tied for the fifth most in school history and the team set school records for points (531), touchdowns (73), touchdowns per game (5.2), rushing touchdowns (61), total offense (6,136 yards) and yards per play (6.8) despite playing four different quarterbacks.

In 2015, Navy won a school-record 11 wins against just two losses, gualified for a bowl game, won a bowl game (beat Pittsburgh 44-28 in the Military Bowl), won a bowl game for a third straight year for the first time in school history, defeated Army for a series-record 14th consecutive year, won the Commander-In-Chief's Trophy for the third time in the last four years, won the Lambert Trophy as the best team in the East for the first time since 1963, finished 18th in the country in both the Associated Press and Coaches polls and shared the West Division title of the American Athletic Conference with Houston in Navy's first year of being in a conference after being an Independent for 134 years.

In 2014, Navy was 8-5, qualified for a bowl game, won a bowl game (beat San Diego State 17-16 in the Poinsettia Bowl), and defeated Army for a series-record 13th consecutive year

Navy finished the 2013 season with a 9-4 record, won the Commander-In-Chief's Trophy for the ninth time in the last 11 years, qualified for a bowl game, won a bowl game for just the eighth time in school history (beat Middle Tennessee 24-6 in the Bell Helicopter Armed Forces Bowl) and defeated Army for a series-record 12th consecutive year.

COACHING STAFF

Niumatalolo led Navy to an 8-5 record in 2012 and a berth in the Kraft Fight Hunger Bowl, which was Navy's ninth bowl game in the last 10 years. Navy defeated Air Force 28-21 in overtime and Army 17-13 to give the Mids the Commander-In-Chief's Trophy.

Navy was 5-7 in 2011 that included a series record 10th-straight victory over Army. The Mids played seven teams that finished with a winning record and six that went to bowl games.

The Mids posted an impressive 9-4 record in 2010, defeated Army for a series record ninth-consecutive time, defeated Notre Dame in consecutive seasons for only the third time in school history and appeared in a school-record eighth consecutive bowl game.

The 2009 season was one to remember for the Midshipmen, as Navy tied a school record for wins with 10, won a school-record seventh consecutive Commander-In-Chief's Trophy, appeared in a seventh consecutive bowl game, beat Notre Dame in South Bend for the second straight time and ran their winning streak against the other two Service Academies to an amazing 15 straight games. The Mids capped the season off with a 35-13 rout of Missouri in the Texas Bowl.

In 2008, Niumatalolo became the first coach to lead Navy to a bowl game in his inaugural season and, thanks to a 33-27 victory over Air Force and a 34-0 win over Army, he became just the second Service Academy coach to win the Commander-In-Chief's Trophy in his first year. Niumatalolo led the Midshipmen to an 8-5 record, the most wins for a first-year coach at Navy since 1934. Included in those eight wins was a 24-17 victory over 16th-ranked Wake Forest, which was Navy's first win over a team ranked in the Associated Press Top 25 since 1985. Navy also beat teams currently in the BCS in back-to-back weeks (Rutgers and Wake Forest) for the first time since 1981 and defeated a program-record four bowl teams.

Niumatalolo was promoted to head football coach at the Naval Academy on Dec. 8, 2007, by Naval Academy Director of Athletics Chet Gladchuk.

He is the second Polynesian head coach in Football Bowl Subdivision (FBS) history and the first Samoan collegiate head coach on any level.

Prior to being named head coach, Niumatalolo had two coaching stints at the Naval Academy for a combined 10 seasons, including the last six where he served as assistant head coach and offensive line coach.

Niumatalolo and the majority of his coaching staff have been part of a staff that has brought the Midshipmen back into the national spotlight with a 130-77 (.628) record over the last 16 years, that includes 14 bowl games, 10 Commander-In-Chief's Trophies and a 13-3 mark against Army.

During that time, Navy made a school-record eight-consecutive bowl game appearances, won seven-consecutive Commander-In-Chief's Trophies, earned 15-consecutive wins over the other two Service Academies and claimed an NCAA-record four-consecutive NCAA rushing titles.

In 2007, with Niumatalolo as the Assistant Head Coach, he saw the Mids post an 8-5 record, win the Commander-In-Chief's Trophy, appear in a fifth-straight bowl game (Poinsettia Bowl, which was Niumatalolo's first game as a head coach), set a school record for rushing (348.8 yards per contest) and defeat Notre Dame for the first time since 1963.

In 2006, Navy averaged a then school-record 327.0 yards per contest, won the Commander-In-Chief's Trophy and participated in the Meineke Car Care Bowl.

In 2005, Niumatalolo helped develop an offensive line that, despite having just one returning starter, paved the way for the nation's best rushing offense (318.7 yards per contest), went to a bowl game for a third-straight year, won a second-straight bowl game and won the Commander-In-Chief's Trophy.

In 2004, Niumatalolo's efforts helped an offensive line that was hampered by injuries all year to perform well enough for the Midshipmen to finish third in the country in rushing (289.5), win a school-record tying 10 games (the most wins since 1905), go to back-to-back bowl games for the second time in school history, win the Emerald Bowl and win the Commander-In-Chief's Trophy.

Despite a lack of experience up front, the Mids led the nation in rushing (323.2 yards per contest) in 2003 and set seven school records as Navy went 8-5, won the Commander-In-Chief's Trophy and earned a berth in the Houston Bowl.

In 2002, the Navy offensive line helped the Mids to the third-best rushing average in the country (270.75).

Niumatalolo was also an assistant at Navy from 1995-98, serving as the offensive coordinator in 1997 and 1998. As the offensive coordinator, Niumatalolo tutored Chris McCoy, who set the then-NCAA record for most rushing touchdowns by a quarterback in a season with 20 in 1997 and became just the 10th player in NCAA history to rush for more than 1,000 yards and pass for more than 1,000 yards in the same season. In addition, Navy finished among the nation's top five in rushing his last-two years and broke 38 school offensive records during his tenure.

Niumatalolo coached at UNLV for three seasons (1999-01) and called the plays his final year (2001) in Vegas.

A 1989 graduate of Hawai'i, Niumatalolo lettered three years as a quarterback and was a part of Hawaii's first bowl team in 1989. He was hired as a fulltime assistant by his alma mater in 1992 and spent three seasons coaching on the offensive side of the ball.

A native of La'ie, Hawai'i, Niumatalolo and his wife, Barbara, have three children, Alexcia, Va'a and Ali'i and four granddaughters, Aussie Keanani, Rosie Momi, Jada Keala and Barbara Lilia.

IVIN JASPER OFFENSIVE COORDINATOR / QUARTERBACKS

Ivin Jasper is entering his 22nd year at the Naval Academy, his 20th as the quarterbacks coach and his 14th as the offensive coordinator, making him the second longest tenured coordinator (offense or defense) in the country. Jasper has been an integral part of a staff that has brought the Midshipmen back into the national spotlight with a 144-86 (.626) record over the last 18 years, that includes 15 bowl games, 11 Commander-In-Chief's Trophies and a 14-4 mark against Army.

Navy has won at least nine games eight times in the last 18 years. Before the current streak, Navy had won nine or more games just five times in the previous 77 seasons.

Jasper's quarterbacks rank first (Keenan Reynolds, 31), second (Ricky Dobbs, 27), fourth (Will Worth, 26), fifth (Reynolds, 24), sixth (Reynolds, 23) and 11th (Malcolm Perry, 21) on the FBS single-season rushing touchdown list by a quarterback. Reynolds is also the FBS record holder for career rushing touchdowns by any player with 88.

In 2019, Navy had one of the greatest seasons in school history, winning a school-record tying 11 games against just two losses, winning the Commander-In-Chief's Trophy, sharing the American Athletic Conference West Division title with Memphis and winning the prestigious Liberty Bowl. The Mids' eight-game improvement from 2018 was the second-biggest turnaround in FBS history.

The Mids finished the 2019 campaign ranked 20th in both the *Associated Press* and *USA Today* Coaches Polls. It marked just the second time in the last 56 years that Navy finished in the AP Top 20 (18th in 2015).

A big part of that success was a Navy offense that set school records for total rushing yards (4,687), rushing yards per attempt (6.1), rushing yards per game (360.5), total offense yards per game (455.8) and tied the record for total offensive yards per attempt (6.8). The Mids also led the nation in rushing.

The Mids were also prolific in the passing game, finishing second in the country in average yards per catch (22.51) and seventh in passing efficiency (176.92).

Quarterback Malcolm Perry was simply sensational under the tutelage of Jasper, rushing for a school-record 2,017 rushing yards, which is the most in FBS history by a quarterback and the 24th most in FBS history by a player at any position in a single season. Perry also set school records for rushing yards per game (155.1), total offense (238.5 yards per game) and passer rating (181.5). Perry led the country in explosive runs (runs of 20 yards or more) with 26. He was named the American Athletic Conference Offensive Player of the Year, the ECAC Offensive Player of the Year and the Liberty Bowl Most Valuable Player.

Perry rushed for an Army-Navy Game record 304 yards and two touchdowns in Navy's 31-7 rout of Army as he helped bring the Commander-In-Chief's Trophy back to Annapolis for the 16th time in school history. Perry capped his career in the Liberty Bowl by rushing for 213 yards on 28 carries in Navy's 20-17 win over Kansas State. In the final four games of his illustrious career, Perry rushed for 858 yards and five touchdowns on 113 carries (214.5 yards per game). Perry also set the school record for passer rating (181.6).

Navy finished the 2017 campaign with a 7-6 record, which included a 49-7 rout of Virginia in the Military Bowl. The 42-point margin of victory was the largest by a Navy team over a team from the autonomy 5 since the Mids beat West Virginia 51-7 in the 1963 season opener. The Mids played eight games against teams that went to a bowl game and played five teams that won 10 or more games. The offense set a school record by averaging 351.4 yards per game.

Quarterback Zach Abey rushed for 1,413 yards, the second most in school history for a single season, and 19 touchdowns, tied for the fifth most in school history. Slot back / quarterback Malcom Perry had games of 282 yards (SMU) and 250 yards (Army) rushing in his first two career starts at quarterback. He is just the third player in FBS history to have two runs of 90 or more yards in a single season.

Navy finished the 2016 campaign with a 9-5 mark and a 7-1 record in the American Athletic Conference despite a season that saw the Mids have 102 missed games by starters or key contributors. The nine wins tied for the fifth most wins in school history and the team set school records for points (531), touchdowns (73), touchdowns per game (5.2), rushing touchdowns (61), total offense (6,136 yards) and yards per play (6.8) despite playing four different quarterbacks. Navy also won the West Division of the AAC that year.

Quarterback Tago Smith was poised to have a breakout senior campaign before injuring his knee in the second quarter of the season opener against Fordham and was lost for the year. Senior Will Worth, who had been the holder the previous three seasons, stepped in and was on pace to break most of Keenan Reynolds' single-season records before

In 2015, Navy won a school-record 11 games against just two losses, qualified for a bowl game, won a bowl game for the 10th time in school history (beat Pittsburgh 44-28 in the Military Bowl), won a bowl game for a third straight year for the first time in school history, defeated Army for a series-record 14th consecutive year, won the Commander-In-Chief's Trophy for the third time in the last four years, won the Lambert Trophy as the best team in the East for the first time since 1963, finished 18th in the country in both the Associated Press and Coaches polls and shared the West Division title of the American Athletic Conference with Houston in Navy's first year of being in a conference after being an Independent for 134 years

Quarterback Keenan Reynolds finished his playing career as the all-time leading touchdown scorer (both total and rushing) in FBS history with 88, as well as the all-time leading rusher for a quarterback in FBS history (4,559 yards), the all-time leading rusher in school history and the all-time leader touchdown passer in school history (31). He is just the sixth quarterback in FBS history to rush and pass for 4,000 yards in a career. He finished fifth in the Heisman Trophy voting, was named Third-Team All-American by the Associated Press and was named the American Athletic Conference and ECAC Offensive Player of the Year. He was also named the winner of the James E. Sullivan Award, which is given to the nation's most outstanding amateur athlete and had his number (19) retired. Reynolds was drafted in the sixth round by the Baltimore Ravens.

Navy finished the 2014 season with an 8-5 record, qualified for a bowl game, won a bowl game (beat San Diego State 17-16 in the Poinsettia Bowl) and defeated Army.

Navy finished the 2013 campaign with a 9-4 record, won the Commander-In-Chief's Trophy, qualified for a bowl game, won a bowl game (beat Middle Tennessee, 24-6, in the Bell Helicopter Armed Forces Bowl) and defeated Army.

Reynolds had one of the greatest seasons by a Navy football player in school history in 2013, rushing for 1,346 yards and 31 touchdowns, while throwing for 1,057 yards and eight touchdowns. His 31 rushing touchdowns not only was a school record, but an NCAA record for a quarterback. He is just the fourth player in NCAA history (any position) to rush for 30 or more touchdowns in a single season.

Jasper helped lead Navy to an 8-5 record in 2012 and a berth in the Kraft Fight Hunger Bowl. Navy defeated Air Force 28-21 in overtime and Army 17-13 to win the Commander-In-Chief's Trophy.

The Mids posted an impressive 9-4 record in 2010, defeated Army, defeated Notre Dame in consecutive seasons for only the third time in school history and appeared in a school-record eighth-consecutive bowl game.

Quarterback Ricky Dobbs finished his career with 2,665 career rushing yards (sixth all-time at Navy), 2,770 passing yards (ninth all-time at Navy), 49 career rushing touchdowns (second all-time at Navy) and his 13 passing touchdowns in 2010 was a school record for a single-season.

The 2009 season saw the Mids tie a school record for wins with 10, win the Commander-In-Chief's Trophy, appeared in a school-record seventh-consecutive bowl game and ran its winning streak against the other two Service Academies to an amazing 15- straight games.

COACHING STAFF

BRIAN NEWBERRY DEFENSIVE COORDINATOR / SAFETIES

Brian Newberry is entering his third season as the defensive coordinator and safeties coach at the Naval Academy

In 2020, after a slow start, the defense finished the year with a flurry, holding Memphis (205 yards), Tulsa (296) and Army (162) to under 300 yards of total offense. It was the first time a Navy defense had achieved that feat since 1997 when the Mids did it seven-consecutive games.

In 2019, Navy had one of the greatest seasons in school history, winning a school-record tying 11 games against just two losses, winning the Commander-In-Chief's Trophy, sharing the American Athletic Conference West Division title with Memphis and winning the prestigious Liberty Bowl. The Mids' turnaround of eight games from 2018 was the second-biggest turnaround in FBS history

The Mids finished the 2019 campaign ranked 20th in both the Associated Press and USA Today Coaches Poll. It marked just the second time in the last 56 years that Navy finished in the AP Top 20 (18th in 2015).

A big part of that turnaround was the massive improvement Navy showed on the defensive side of the football as the Mids improved in every major category.

Navy finished the 2019 campaign ranked 20th in third down defense (121st in 2018), 10th in rushing defense (90th in 2018), 39th in passing defense (75th in 2018), 16th in total defense (86th in 2018), 34th in scoring defense (103rd in 2018), 68th in pass efficiency defense (117th in 2018), 55th in sacks (129th in 2018) and 53rd in tackles for a loss (129th

Newberry, a semifinalist for the Broyles Award, which is an annual honor given to the best assistant coach in college football, and his defensive staff installed a "Get 6" culture within the Navy defense that really took off. Newberry told the defensive players if they got a combination of six three-and-outs, fourth down stops, turnovers and defensive touchdowns in a game, the Mids would win. In 2019, the Mids were 8-0 when they managed to "Get 6."

The Mids finished 10th in the nation against the run, giving up just 105.8 yards per game, despite facing the #2, #3 and #11 rushing offense's in the country. The Mids got the opposing offense off the field in three plays or less in 36% of its drives, which was the 10thbest average in the country. The Navy defense gave up just 15.2 first downs per game, which was tied for third best in the country.

Safeties Evan Fochtman and Kevin Brennan were named First-Team All-East.

Newberry was the defensive coordinator and secondary coach at Kennesaw State from 2015-18, leading the Owls to the FCS quarterfinals in each of the last two seasons. He runs a multiple defense with 4-2-5 and 3-4 principles.

Kennesaw State ranked first in the FCS in fewest first downs allowed per game (13.5) and second in total defense (263.7 yards per game) in 2018. The Owls finished seventh in scoring defense, giving up an average of 15.4 points per game. The Owls also ranked 11th nationally in third down conversion defense.

In 2017, Kennesaw State ranked seventh nationally in scoring defense (15.5 points per game) and third in turnovers gained (35). The Owls picked off 24 passes, which ranked second nationally, and led the Big South in rushing defense (102.1 yards per game), pass defensive efficiency (117.0) and red zone defense (76.9 percent), while standing second in sacks (31).

The Kennesaw defense forced an incredible 56 turnovers over the last two years, including 37 interceptions.

Individually Newberry helped develop 2017 All-American Bryson Armstrong and 2016 All-Big South honoree Dante Blackmon.

Winner of the prestigious Jerry Rice Award (National Freshman of the Year), Armstrong captained an airtight defense in 2017, finishing first in the nation in fumbles recovered (four), while leading the Big South in sacks (11 solo). He finished second in the conference in tackles (114) and third in tackles for loss (12.5).

Blackmon, who led the Big South and ranked second nationally with six interceptions, became the first Owl to participate with an NFL team when he was invited to mini-camp and signed to an Undrafted Free Agent contract by the Indianapolis Colts

Newberry also coached All-Big South safeties Derrick Farrow, Taylor Henkie and Jace White while at Kennesaw.

Newberry joined the Kennesaw State coaching staff after spending the 2012 season as defensive coordinator at Division II Northern Michigan.

Prior to his one season at Northern Michigan, Newberry served as defensive coordinator/ linebackers coach at the University of the South in Sewanee, Tenn., in 2011 where the

COACHING STAFF

Tigers improved their scoring defense by 16 points per game and total defense by 85 yards a contest.

Newberry's coaching experience also includes four seasons (2007-10) as defensive backs coach at Elon and five years (2004-06, 2001 and 2002) as defensive coordinator/ defensive backs coach at Washington & Lee. He also served as a graduate assistant/ defensive line coach at Rice during the spring of 2004, spent one season as an assistant defensive backs coach at Lehigh in 2003 and began his coaching career at Southern Arkansas where he was a graduate assistant coaching the defensive backs and wide receivers in 1999 and 2000.

While defensive backs coach at Elon, Newberry mentored five players who earned All-Southern Conference honors and in 2009, the Phoenix defense ranked fifth nationally in total defense.

In 2004, Newberry's Washington & Lee defense produced a school-record 43 sacks and ranked among the Division III leaders in rushing defense. The Generals' defense led the Old Dominion Athletic Conference in pass defense, rush defense and scoring defense in 2005 and in 2006, Washington & Lee forced 30 turnovers and ranked among the nation's leaders in pass defense.

Newberry played collegiately at Baylor and graduated in 1998 with a bachelor's of science degree in education. He helped lead the Bears to the Southwest Conference co-championship and an appearance in the 1994 Alamo Bowl and to a No. 5 national ranking in total defense in 1995.

Newberry and his wife, Kate, are the parents of a son, Max, and a daughter, Lyla.

JOE CONIGLIO ASSISTANT COACH / DEFENSIVE ASSISTANT

Coniglio is in his first year at the Naval Academy serving as a defensive assistant. Coniglio came to Navy from Kent State, where he was the outside linebackers and defensive recruiting coordinator since 2019.

Coniglio helped lead the Golden Flashes to their first bowl win in school history with a 51-41 victory in the 2019 Tropical Smoothie Cafe Frisco Bowl. Last year, Kent State finished 3-1 in a COVID-shortened season.

Coniglio spent three seasons at Kent State from 2009-2011, while earning a master's degree. His roles included special assistant to the head coach, defensive graduate assistant,

video coordinator and defensive volunteer. Working closely with the Flashes' defensive line, Coniglio helped develop future NFL players Roosevelt Nix, Ishmaa'liy Kitchen and Monte Simmons. During that period, Kent State's defense ranked in the top tier of numerous NCAA categories, including 10th in the nation in total defense in 2010. In 2011, the Flashes ranked 21st in total defense, while the 2009 squad was fourth in tackles for loss and 17th in sacks.

Coniglio was the defensive line coach at Northern Michigan in 2012-13 and worked with current Navy defensive coordinator Brian Newberry, who served as the defensive coordinator

COACHING STAFF

there in 2012.

Coniglio spent five seasons at Rhode Island, where he served as defensive line coach, special teams coordinator and recruiting coordinator.

Rhode Island was also among national (FCS) leaders in numerous defensive categories during Coniglio's time with the Rams. In 2017, Rhode Island was the only defensive line in the nation to have five players with five or more sacks and 10 or more tackles for loss. The Rams broke the program's sack record that season and produced their third different all-conference player during Coniglio's time. In 2018, URI ranked 31st in the FCS in total defense.

On special teams, the 2018 Rams ranked in the top 20 in punt return defense, kick return average and punt return average. Coniglio also brought recruiting success to URI in 2016, when the Rams ranked first in the Colonial Athletic Association according to 247 Sports.

A two-time All-Mid-American Conference defensive end at Miami, Coniglio was a threeyear starter and three-year winner of the RedHawks' Vic Waltz Defensive Lineman of the Year award. Coniglio helped Miami win three MAC East titles and ranks fifth among the program's sack leaders. He was also a roommate of RedHawk teammate Sean McVay, who led the Los Angeles Rams to an appearance in Super Bowl LIII in 2018.

Joe and his wife, Jessa, have a daughter, Anna, and two sons, Joseph and Matthew.

KEVIN DOWNING ASSISTANT COACH / DEFENSIVE ENDS AND RAIDERS

Kevin Downing enters his third season at Navy coaching the defensive ends and raiders.

In 2020, after a slow start, the Navy defense finished the year with a flurry, holding Memphis (205 yards), Tulsa (296) and Army (162) to under 300 yards of total offense. It was the first time a Navy defense had achieved that feat since 1997 when the Mids did it seven-consecutive games.

In 2019, Navy had one of the greatest seasons in school history, winning a school-record tying 11 games against just two losses, winning the Commander-In-Chief's Trophy, sharing the American Athletic Conference West Division title with

Memphis and winning the prestigious Liberty Bowl. The Mids' eight-game improvement from 2018 was the second-biggest turnaround in FBS history.

The Mids finished the 2019 campaign ranked 20th in both the *Associated Press* and *USA Today* Coaches Polls. It marked just the second time in the last 56 years that Navy finished in the AP Top 20 (18th in 2015).

A big part of that turnaround was the massive improvement Navy showed on the defensive side of the football as the Mids improved in every major category.

Navy finished the 2019 campaign ranked 20th in third down defense (121st in 2018), 10th in rushing defense (90th in 2018), 39th in passing defense (75th in 2018), 16th in total defense (86th in 2018), 34th in scoring defense (103rd in 2018), 68th in pass efficiency defense (117th in 2018), 55th in sacks (129th in 2018) and 53rd in tackles for a loss (129th in 2018).

The defensive staff, led by coordinator Brian Newberry, installed a "Get 6" culture within the Navy defense that took off. Newberry told the defensive players if they got a combination of six three-and-outs, fourth down stops, turnovers and defensive touchdowns in a game, the Mids would win. In 2019, the Mids were 8-0 when they managed to "Get 6."

The Mids finished 10th in the nation against the run, giving up just 105.8 yards per game, despite facing the #2, #3 and #11 rushing offense's in the country. The Mids forced the opposing offense off the field in three plays or less in 36 percent of its drives, which was the 10th best average in the country. The Navy defense gave up just 15.2 first downs per game, which was tied for third best in the country.

Prior to his arrival in Annapolis, Downing coached for four seasons as defensive ends coach at Kennesaw State, where he mentored a pair of All-Big South selections in Desmond Johnson and Tonarius Portress. Those two ends combined to record 13 sacks and 33 ½ tackles for a loss during the 2016 and 2017 seasons.

Downing previously worked alongside Newberry at Elon (2010-13) after spending four years (2006-09) as recruiting coordinator and defensive backs coach at Winston-Salem State.

Downing coached the defensive ends (2010) and wide receivers (2011-13) at Elon.

COACHING STAFF

While serving as Elon's wide receivers coach, Downing helped guide one of the top FCS talents in Aaron Mellette. In 2011, Mellette set an Elon and Southern Conference record with 1,639 receiving yards and led all of the FCS in both receptions per game (10.27) and receiving yards per game (149.00) on his way to being named to seven All-America squads and finishing fifth in the voting for the 2010 Walter Payton Award, the top individual honor at the FCS level. Phoenix receivers averaged 281.45 yards per game in 2011.

Downing helped Mellette again lead the Southern Conference in receiving in 2012 as the senior caught 97 passes for 1,398 yards and 18 touchdowns. He was named to numerous All-America squads and placed eighth in the voting for the Walter Payton Award. Mellette became Elon's first representative in the prestigious Senior Bowl and was a seventh-round pick by the Baltimore Ravens in 2013.

Downing is a 2004 graduate of North Carolina Central University where he played football in 2001 and 2002. During the 2001 campaign, Downing played a key role in helping the Eagles' defense become the top-rated unit at the NCAA Division II level. He earned a bachelor's degree in health and physical education in 2004.

Downing and his wife, Nia, have three children, Kevin Jr., Kailey and Kaiden.

JERRICK HALL ASSISTANT COACH / NOSE GUARDS & DEFENSIVE TACKLES

Jerrick Hall enters his third year at Navy coaching the nose quards and defensive tackles.

In 2020, after a slow start, the Navy defense finished the year with a flurry, holding Memphis (205 yards), Tulsa (296) and Army (162) to under 300 yards of total offense. It was the first time a Navy defense had achieved that feat since 1997 when the Mids did it seven-consecutive games.

Memphis and winning the prestigious Liberty Bowl. The Mids' eight-game improvement from 2018 was the second-biggest turnaround in FBS history.

The Mids finished the 2019 campaign ranked 20th in both the *Associated Press* and *USA Today* Coaches Polls. It marked just the second time in the last 56 years that Navy finished in the AP Top 20 (18th in 2015).

A big part of that turnaround was the massive improvement Navy showed on the defensive side of the football, as the Mids improved in every major category.

Navy finished the 2019 campaign ranked 20th in third down defense (121st in 2018), 10th in rushing defense (90th in 2018), 39th in passing defense (75th in 2018), 16th in total defense (86th in 2018), 34th in scoring defense (103rd in 2018), 68th in pass efficiency defense (117th in 2018), 55th in sacks (129th in 2018) and 53rd in tackles for a loss (129th in 2018).

The defensive staff, led by coordinator Brian Newberry, installed a "Get 6" culture within the Navy defense that took off. Newberry told the defensive players if they got a combination of six three-and-outs, fourth down stops, turnovers and defensive touchdowns in a game,

The Navy defense gave up just 15.2 first downs per game, which was tied for third best in the country.

Hall is a 16-year coaching veteran and was a standout player at North Carolina State. He came to Navy from Elon, where he was an assistant for five years in two different stints. Hall returned to Elon in 2017 and immediately helped the Phoenix to one of the biggest

turnarounds in the FCS going from 2-9 the year before to 8-4 and a berth in the FCS playoffs. In 2018, Elon finished 6-5 and made the FCS playoffs for a second-straight year.

One of Hall's pupils, Marcus Willoughby, recorded 117 tackles over two seasons and was named All-CAA. The Phoenix ranked 15th in the country in quarterback sacks, averaging almost three per game. In 2017, Elon's defensive line was responsible for 18 of the team's 31 sacks. Willoughby signed a free agent contract with the Baltimore Ravens in the spring.

Hall was the defensive line coach at Fordham in 2015 and 2016 and helped the Rams to a two-year record of 17-6.

The Fordham defense led the Patriot League and ranked 10th nationally in both turnovers gained and fumbles recovered in 2015. In 2016, Fordham ranked sixth nationally in passing efficiency defense and seventh in turnover margin. Justin Vaughn was an All-Patriot League selection in 2016 and went on to play in the CFL with the Hamilton Tiger-Cats.

Hall spent the 2014 season at the University of New Haven where he helped guide the Chargers to a 6-3 mark in the Northeast 10. New Haven finished 18th in Division II in rushing yards allowed per game and fourth in tackles for loss per game. One of Hall's players, Drake Harris, was named all-conference in the NE10.

Prior to his year in New Haven, Hall spent four seasons at Elon. In 2011, Hall mentored a defensive line that amassed 141 total tackles, 26.5 tackles for loss and 6.5 sacks. With a young line in 2012, Hall's unit recorded 6.5 of Elon's 16 sacks. Both Jordan Gibson and Brandon Brant were named All-Southern Conference.

From 2007-09, Hall helped coach Campbell University's defensive unit. During that stretch, the 2009 squad tallied 50 tackles for loss, including 12 sacks. Three of the 2008 squad's defensive linemen ranked among the top-25 linemen in the league in tackles per game.

STEVE JOHNS ASSISTANT COACH / STRIKERS

Steve Johns is in his 14th year at the Naval Academy and in his third year coaching the strikers. He spent his first 11 years coaching the linebackers.

Navy has compiled a 101-66 (.605) record during Johns' tenure, beating Army nine times, earning 10 bowl bids, winning six bowl games, winning six Commander-In-Chief's Trophies and beating Notre Dame three times.

In 2020, after a slow start, the Navy defense finished the year with a flurry, holding Memphis (205 yards), Tulsa (296) and Army (162) to under 300 yards of total offense. It was the first time a Navy defense had achieved that feat since 1997 when the Mids did it seven-consecutive games.

In 2019, Navy had one of the greatest seasons in school history, winning a schoolrecord tying 11 games against just two losses, winning the Commander-In-Chief's Trophy, sharing the American Athletic Conference West Division title with Memphis and winning the prestigious Liberty Bowl. The Mids' eight-game improvement from 2018 was the secondbiggest turnaround in FBS history.

The Mids finished the 2019 campaign ranked 20th in both the Associated Press and USA Today Coaches Polls. It marked just the second time in the last 56 years that Navy finished in the AP Top 20 (18th in 2015).

A big part of that turnaround was the massive improvement Navy showed on the defensive side of the football as the Mids improved in every major category.

Navy finished the 2019 campaign ranked 20th in third down defense (121st in 2018), 10th in rushing defense (90th in 2018), 39th in passing defense (75th in 2018), 16th in total defense (86th in 2018), 34th in scoring defense (103rd in 2018), 68th in pass efficiency defense (117th in 2018), 55th in sacks (129th in 2018) and 53rd in tackles for a loss (129th

The defensive staff, led by coordinator Brian Newberry, installed a "Get 6" culture within the Navy defense that took off. Newberry told the defensive players if they got a combination of six three-and-outs, fourth down stops, turnovers and defensive touchdowns in a game, the Mids would win. In 2019, the Mids were 8-0 when they managed to "Get 6."

The Mids finished 10th in the nation against the run, giving up just 105.8 yards per game, despite facing the #2, #3 and #11 rushing offense's in the country. The Mids forced the opposing offense off the field in three plays or less in 36 percent of its drives, which was the 10th best average in the country. The Navy defense gave up just 15.2 first downs per game, which was tied for third best in the country.

Navy finished the 2017 campaign with a 7-6 record, which included a 49-7 rout of Virginia in the Military Bowl. The 42-point margin of victory was the largest by a Navy team over a team from the autonomy 5 since the Mids beat West Virginia 51-7 in the 1963 season

opener. The Mids played eight games against teams that went to a bowl game and played five teams that won 10 or more games.

The defense improved in all four major categories in 2017: against the run (154.5 yards per game), the pass (215.8 yards per game), total defense (370.3 yards per game) and scoring defense (26.3 points per game).

Navy finished the 2016 campaign with a 9-5 mark and a 7-1 record in the American Athletic Conference despite a season that saw the Mids have 102 missed games by starters or key contributors. The Mids played Temple in the AAC Championship Game and played in a bowl game (Armed Forces) for the 13th time in the last 14 years. The nine wins tied for the fifth most in school history. Outside linebacker D.J. Palmore was named First-Team All-East. Linebacker Micah Thomas was named Second-Team All-AAC and Honorable Mention All-East

In 2015, Navy won a school-record 11 wins against two losses, qualified for a bowl game for the 12th time in the last 13 years, won a bowl game for the 10th time in school history (beat Pittsburgh 44-28 in the Military Bowl), won a bowl game for a third straight year for the first time in school history, defeated Army for a series-record 14th consecutive year, won the Commander-In-Chief's Trophy for the third time in the last four years, won the Lambert Trophy as the best team in the East for the first time since 1963, finished 18th in the country in both the Associated Press and Coaches polls and shared the West Division title of the American Athletic Conference with Houston in Navy's first year of being in a conference after being an Independent for 134 years.

As a team, the defense finished the 2015 season ranked 32nd in rushing defense (143.0), 40th in total defense (364.9), 26th in scoring defense (21.8), 12th in red zone defense (.737), 13th in turnovers gained (27), first in fumbles recovered (15), third in turnover margin (+1.46), first in fewest penalties per game (3.1) and first in fewest penalty yards per game (26.1).

Navy finished the 2014 campaign with an 8-5 record, won a bowl game for just the ninth time in school history (beat San Diego State 17-16 in the Poinsettia Bowl), won a bowl game in back-to-back years for the second time in school history and defeated Army for a seriesrecord 13th consecutive year.

Linebacker Jordan Drake was named All-Independent by Phil Steele, while long snapper Joe Cardona was selected to play in the Senior Bowl and was invited to the NFL Combine. Punter Pablo Beltran was named All-East and All-Independent. Beltran finished his career with a 41.6 career average, the second-best average in school history.

Navy finished the 2013 campaign with a 9-4 record, won the Commander-In-Chief's Trophy, won a bowl game (beat Middle Tennessee 24-6 in the Bell Helicopter Armed Forces Bowl) and defeated Army.

Linebackers Cody Peterson and DJ Sargenti had seasons to remember as Peterson finished tied for second in the country in solo tackles per game (7.2) and tied for seventh in total tackles per game (10.9). Peterson's 142 tackles were the most by a Navy player since Javier Zuluaga in 1992. Sargenti, who had never recorded a tackle prior to his senior year, recorded 110 tackles on the year, including 71 solo stops. He finished 25th in the country in solo tackles per game (5.5).

Johns helped lead Navy to an 8-5 record in 2012 and a berth in the Kraft Fight Hunger Bowl. Navy defeated Air Force 28-21 in overtime and Army 17-13 to win the Commander-

The Mids posted an impressive 9-4 record in 2010, defeated Army, defeated Notre Dame in consecutive seasons for only the third time in school history and appeared in a bowl game.

The 2009 season was one to remember, as the Mids tied a school record for wins with 10, won a school-record seventh-consecutive Commander-In-Chief's Trophy, appeared in a school-record seventh-consecutive bowl game and ran its winning streak against the other two Service Academies to an amazing 15-straight games. The Mids capped the season off with a 35-13 rout of Missouri in the Texas Bowl.

The Mids posted an 8-5 record in 2008 and participated in the EagleBank Bowl. The Mids won the Commander-In-Chief's Trophy thanks to a 33-27 victory over Air Force and a 34-0 win over Army.

Before coming to Navy, Johns spent two seasons at Grossmont Junior College in El Cajon, Calif., where he served as the defensive coordinator and was a professor in the exercise science department. In 2006, the Griffins were Foothill Conference Champions and posted a 10-2 record thanks to a defense that gave up a school-record 7.6 points per contest.

In 2005, Johns served as defensive coordinator at the University of La Verne in La Verne, Calif., where he led the Leopards to their first winning season in eight years.

Johns coached at UNLV from 1999-2004, serving as a graduate assistant (defensive ends and punt team) for one year before being hired on full time and coaching the linebackers, coordinating the special teams and handling the recruiting coordinator duties for the final five seasons.

Johns began his coaching career at Occidental College, where he coached the defensive line from 1993-95. He coached at the University of San Diego in 1996, serving as

the defensive line coach and special teams coordinator, before moving on to the University of La Verne, where he coached the defensive line in 1997 and the defensive backs in 1998, while also coordinating the special teams.

2020 GAME RECAPS

GAME 1

BYU 55, Navy 3

Sept. 7, 2020 • Annapolis, Md. • Navy-Marine Corps Memorial Stadium

- (AP) Tyler Allgeier ran for 132 yards and two touchdowns, and BYU put the clamps on Navy's usually potent triple option in a season-opening 55-3 win inside an eerily empty stadium at Navy-Marine Corps Memorial Stadium.
- The Cougars scored touchdowns on each of their first two possessions, led 31-0 at halftime and coasted to their most lopsided victory since a 70-6 blowout of Wagner in October 2015.
- Because of the COVID-19 pandemic, the event had none of the pageantry and atmosphere
 usually associated with a football game at Navy. There were no tailgates in the parking lot,
 no flyover before the opening kickoff, the Brigade of Midshipmen was not allowed in the
 stadium and the 34,000 seats remained vacant due to restrictions ordered by the state of
 Maryland.
- The Midshipmen were originally scheduled to open against Notre Dame and the Cougars were to play Utah, but both those games got scrapped. So the ADs at the two schools arranged the matchup, which marked the first time since 1989 these schools played each other.
- Allgeier averaged 9.4 yards per carry, Katoa ran for 80 yards and scored twice, and Zach Wilson went 13 for 18 for 232 yards with two touchdowns before leaving in the third quarter.
- Navy went 11-2 last year and led the nation in rushing, averaging 360.5 yards per game
 with Malcolm Perry running the offense. Perry is now with the Dolphins, and his successor
 at quarterback, senior Dalen Morris, rushed for two yards on seven carries before being
 pulled with the score 38-0.
- BYU finished with 580 yards and Navy could muster only 149 the second-lowest total in coach Ken Niumatalolo's 13 years at the school. It was also the team's most lopsided defeat under his direction.
- The contrast in the teams was demonstrated during the first two series. Navy ran three times before punting, and on the Cougars' first play, Wilson launched long pass to Gunner Romney that fell incomplete.
- That loosened up the Navy defense, which offered little resistance during a seven-play, 74-yard drive that ended on a 34-yard run by Allgeier.
- After another three and out by the Midshipmen, Katoa ran for a 39-yard TD for a 14-0 lead.
- The 31-0 deficit at halftime was Navy's largest at home since trailing by the same score against Connecticut in 2002.

GAME 2

Navy 27, Tulane 24

Sept. 19, 2020 • New Orleans, La. • Yulman Stadium

- (AP) Jamale Carothers rushed for 125 yards, Bijan Nichols kicked a 33-yard field goal
 as time expired and Navy staged a school-record 24-point comeback in the second half to
 beat Tulane 27-24 at Yulman Stadium.
- Navy, which lost its opener 55-3 to BYU, ran just two plays in Tulane territory in the first half and looked in danger of being blown out again late in the second quarter.
- Tulane was threatening to build on a 24-0 lead before Cameron Kinley intercepted Tulane quarterback Keon Howard at the Navy 3. The turnover looked far more consequential as the game wore on and Navy stunningly seized control of the game in the second half, when the Midshipmen outgained the Green Wave 291 yards to 82.
- In the last seven minutes of the third quarter, the Midshipmen scored 16 points on two short Nelson Smith touchdowns and a safety. They tied it on Dalen Morris' 32-yard touchdown pass to Mychal Cooper, followed by a 2-point conversion early in the fourth quarter.
- Tulane looked primed to regain the lead with about five minutes left, but elected to throw a deep pass, which fell incomplete, on fourth-and-3 from the Navy 32.
- Navy kept the ball from there, driving in rainy conditions to the Tulane 16 before kicking for the win
- Morris passed just 11 times, completing six for 139 yards and a touchdown. His 44-yard pass to Mark Walker set up Navy's first TD with 6:43 left in the third quarter. Carothers' 48-yard run up the middle set up the second.
- Navy's safety came when Evan Fochtman met Tulane's Cameron Carroll in the end zone and drove him backward on a first-down run from the Tulane 1.
- Tyjae Spears rushed for 119 yards and Carroll rushed for touchdowns of 3 and 24 yards for Tulane.
- Seeking a spark on offense after its lopsided loss a week earlier, Navy started freshman Xavier Arline at quarterback, but he struggled to move the Midshipmen offense. He did not attempt a pass and rushed seven times for 13 yards before being replaced by Morris in the first half.

GAME 3

Air Force 40, Navy 7

Oct. 3, 2020 • Colorado Springs, Colo. • Falcon Stadium

- (AP) Tevye Schuettpelz-Rohl tied a school record with four field goals, Air Force's hastily reconstructed defense stymied Navy's offense and the Falcons opened their season with a 40-7 win over the Midshipmen at Falcon Stadium.
- Sophomore QB Haaziq Daniels rushed for a score in his first-career start as the Falcons took a big first step toward capturing the coveted Commander-in-Chief's Trophy between the service academies.
- Schuettpelz-Rohl connected from 48, 35, 32 and 40 yards in front of a crowd that consisted
 only of Air Force cadets given the COVID-19 restrictions. It's the 11th time a Falcons kicker
 has made that many in a game.
- There was no telling what the Falcons would resemble on the field with quite a few players taking military turnbacks (an option a cadet has to leave the academy for up to two semesters). A big portion of the missing personnel was on defense, but the Falcons didn't miss a beat in shutting down Navy. They held the Midshipmen to 90 yards rushing. The last time Navy was held under 100 yards rushing was at Air Force in 2016 when the team had 57.

- In addition, Air Force forced two turnovers and had three sacks.
- The Falcons improved to 14-0 in season openers under coach Troy Calhoun. It's the latest
 Air Force has kicked off a season -- and the first time opening with rival Navy.
- Daniels earned the starting quarterback spot in an extended fall camp. The team is missing QB Donald Hammond III, who remains a cadet not in good standing, meaning he can practice but can't represent the school.
- Before the game, Navy announced starting quarterback Dalen Morris was out for health reasons not related to COVID-19. Tyger Goslin stepped in and had a 73-yard TD toss to Myles Fells in the second quarter. But Navy never found its groove on offense.

GAME 4

Navy 31, Temple 29

Oct. 10, 2020 · Annapolis, Md. · Navy-Marine Corps Memorial Stadium

- Sophomore linebacker **Terrell Adams** broke up a two-point conversion attempt from Temple quarterback Anthony Russo with 1:03 left in the game to give Navy a 31-29 victory over the Owls at Navy-Marine Corps Memorial Stadium. The win was Navy head coach Ken Niumatalolo's 100th of his career.
- Navy won the game despite being down 5 starters on defense (4 due to injury and 1 in the first half because of a targeting call against Air Force).
- Senior fullback **Nelson Smith** rushed for a career-high 120 yards and 2 touchdowns, while junior fullback **Jamale Carothers** added 53 yards and a touchdown on 15 carries as Navy grounded out 251 rushing yards while playing keep away from the Temple offense. Navy had the ball for 35:21 compared to 24:39 for Temple.
- Navy set the tone for the game on the opening drive, moving 75 yards on 17 plays (all on the ground) and taking 9:38 off the clock. The drive was capped by a 1-yard touchdown run by Carothers.
- After the Navy defense held Temple to a field goal on its first drive, the Mids went right back down the field to take a 14-3 lead on a 2-yard touchdown run by Chance Warren.
- Smith would give Navy a 21-10 lead with 3:46 left in the first half on a 26-yard touchdown run and then sophomore striker John Marshall picked off Russo at the Navy 5 with 38 seconds left in the half to preserve the Mids' 11-point lead.
- After both teams started the second half by trading punts, the Owls cut the Navy lead to four at 21-17 on a 7-yard touchdown pass from Russo to Branden Mack.
- The Mids, however, would answer once again, as Smith ran untouched from 22 yards out to make the score 28-17.
- Temple cut the lead to 28-23 early in the fourth quarter on a 9-yard run by Russo, but the Owls' two-point conversion was no good due to an illegal touching and that failed conversion would loom large.
- Navy drained 9:06 off the clock on the ensuing possession, running 15 plays and picking up just 26 yards (lost 14 yards on its final 2 plays of the drive). It set up sophomore kicker Bijan Nichols, who nailed a career-long 50-yard field goal to give Navy a 31-23 lead.
- Temple took over at the Navy 25 and drove down the field. Temple running back Re'Mahn Davis scored on third-and-goal from the one to cut the Navy lead to 2, but Adams broke up the pass on the two-point conversion to give Navy the win.

GAME 5

Navy 27, East Carolina 23

Oct. 17, 2020 • Greenville, N.C. • Dowdy-Ficklen Stadium

- (AP) Senior fullback **Nelson Smith** ran for a career-high 157 yards and two touchdowns and led Navy to a 27-23 victory over East Carolina at Dowdy-Ficklen Stadium. With the win, the Mids improved to 3-0 in the American Athletic Conference.
- Smith bested his career high for the second-consecutive game after gaining 120 yards in a
 win over Temple last week. Junior fullback Jamale Carothers added 82 yards and another
 score for the Midshipmen. The two fullbacks accounted for 239 of Navy's 288 rushing yards
 and three of the four touchdowns.
- Rahjai Harris, who rushed for 115 yards the week before, had 172 yards and an 80-yard TD for the Pirates (1-3, 1-2). ECU freshman Mason Garcia made his first start in place of Holton Ahlers, who, along with a handful of other Pirates, had to sit following COVID-19 contract tracing.
- Navy quarterback Dalen Morris, who scored his first-career rushing touchdown in the first half, was knocked out of the game on a late hit with 10 minutes left in the third quarter.
- Tyger Goslin took over for Morris and shortly afterward Smith's 29-yard score gave Navy a 20-13 lead. The Midshipmen added their second fourth-down touchdown on Carothers' 3-yard TD on the final play of the third quarter, a drive that began at the 50 after Tobe Okafor dropped Garcia for a 5-yard loss on fourth down. Okafor, who made his first-career start, also blocked a first-half field-goal attempt by Jake Verity.
- On ECU's ensuing possession, Harris raced 80 yards for a score and Verity added his third field goal to close the gap to 27-23. But Navy ate up over six minutes on the clock and ECU could do nothing with its final 23 seconds.
- ECU limited attendance to 7 percent capacity at 50,000-seat Dowdy-Ficklen Stadium and had 3,500 fans in attendance.

- Navy took a 7-3 lead with 8 seconds left in the first quarter on a 6-yard touchdown run by Dalen Morris and went up 13-9 with 4:02 left in the second quarter on a 60-yard touchdown pass from Morris to Ryan Mitchell.

- The second half was all Houston as Kyle Porter scored on a 1-yard touchdown run and a 33-yard pass from Tune and Stevenson caught his second TD pass of the day from Tune to make it 37-13.

#22 SMU 51, Tulane 37

Oct. 31, 2020 · Dallas, Texas · Ford Stadium

- (AP) Shane Buechele threw three touchdown passes, Ulysses Bentley IV ran for two scores and No. 22 SMU rebounded from its first loss with a 51-37 victory over Navy at Ford Stadium.
- The Mustangs scored 30-consecutive points from late in the second quarter to early in the fourth, a run that started with 10 points in the final 7 seconds of the first half.
- After the first of Buechele's two scoring tosses to Rashee Rice, Nelson Smith fumbled and SMU's Gary Wiley won the scramble for the loose ball at the Navy 18 with a second remaining. Chris Naggar's 34-yard field goal made it 31-17.
- The Mustangs should have been pinned inside their 5 for their first possession of the second half, but Navy's Devin Mathews stepped on the goal line while batting a bouncing punt back toward the field. SMU took over at the 20, and Buechele later connected with Austin Upshaw for a 42-yard TD.
- A week after finishing with a passer efficiency rating below 100 for the first time in two seasons at SMU, Buechele was at 207.5 after completing 23 of 28 passes for 300 yards

with no interceptions.

- Smith had 55 yards rushing and a touchdown by early in the second quarter but finished with 54 for the Midshipmen as SMU controlled the triple-option attack in the second half a week after giving up 313 yards rushing in a 42-13 loss to No. 7 Cincinnati.
- Bentley finished with 149 yards on 25 carries and set up Rice's second TD with a 61-yard catch when he came out of the backfield as Buechele was faking a run up the middle and the quarterback hit his lead back in stride over the middle.
- Tyler Lavine put SMU in front for the first time at 21-14 on a 10-yard run midway through the second guarter. He had another TD on a 48-yard run when his knee never touched the ground as he rolled over a pile. Lavine popped up and ran the final 40 yards untouched and finished with 74 yards. Rice had 46 yards receiving.
- SMU finished with 255 yards rushing to 191 for Navy, the first time the Mustangs have had more yards on the ground than the Midshipmen since 1998.

GAME 8

Memphis 10, Navy 7

Nov. 28, 2020 • Annapolis, Md. • Navy-Marine Corps Memorial Stadium

- Riley Patterson's 26-yard field goal with 10:53 remaining gave Memphis a hard-fought 10-7 AAC victory over Navy at Navy-Marine Corps Memorial Stadium.
- Memphis won the game despite its 10th-ranked offense being held to a season-low 280 yards, including just 205 yards through the air by a gritty Navy defense. Memphis entered the game averaging 517.9 yards of total offense, including 342.4 yards per game through the air. Memphis starting quarterback Brady White was held to 18 of 32 passing.
- Navy jumped out to a 7-0 lead in the first quarter thanks to a fake punt called by Navy head coach Ken Niumatalolo.
- The Mids were facing a fourth-and-one from their own 26 and snapped the ball to upback J'arius Warren who rumbled for 24 yards to the 50-yard line. Four plays later, Nelson Smith ran right up the middle for a 22-yard touchdown run to give the Mids the early lead.
- · Memphis immediately answered with a six-play, 79-yard drive on its next possession to tie the game at seven on a 14-yard touchdown pass from White to Calvin Austin III.
- Navy had a chance to take the lead late in the first half, driving to the Memphis 17-yard line with 1:30 left in the half, but starting quarterback Tyger Goslin threw late to his receiver on third down and the pass was intercepted by Memphis defensive back Quindell Johnson.
- Memphis gained 0 yards on its three possessions after its lone touchdown and on the drive it did gain yards, Navy defensive back Jamal Glenn stripped wide receiver Tahj Washington after a 28-yard reception and the fumble was recovered by Derek Atwaters to end the drive and send the two teams into the locker room tied at seven.
- Freshman quarterback Xavier Arline came on in relief of Goslin with 3:56 left in the third quarter and was putting together a potential scoring drive thanks to four-consecutive carries by Smith that picked up 31 yards. But on first-and-10 from the Memphis 43, Arline fumbled the snap and Cole Mashburn recovered.
- The Tigers promptly took advantage of the miscue, driving 46 yards on nine plays. The big play on the drive was a holding call on a third down pass that fell incomplete
- Instead of forcing Memphis to go for it on fourth-and-five, the penalty gave the Tigers an automatic first down. On the next play, White hit Sean Dykes for 19 yards down to the Navy 10 and set up Patterson's game-winning field goal.
- Navy had one more chance to tie or take the lead. Smith, who rushed for a game-high 142 yards and a touchdown, carried the ball four-consecutive times for 27 yards to move the ball to the Memphis 48.
- On fourth-and-two from the Memphis 28 with 4:42 remaining and no timeouts left, Niumatalolo elected to send on sophomore Bijan Nichols for a 45-yard field goal. Nichols, who has been a clutch kicker for the Mids over his first two years including making three game-winning field goals, missed wide right and the Mids would not get the ball back until there were 12 seconds left in the game.

#22 Tulsa 19, Navy 6

Dec. 5, 2020 • Annapolis, Md. • Navy-Marine Corps Memorial Stadium

- (AP) No. 22 Tulsa clinched a spot in the American Athletic Conference title game, using a strong defensive effort and a tie-breaking 66-yard touchdown pass from Zach Smith to Josh Johnson to beat Navy 19-6 in Annapolis for its sixth straight victory.
- The Golden Hurricane needed to win one of their final two games to play for the AAC Championship.
- The Midshipmen produced only 153 yards in offense and lost their home finale for the first time since 2002.
- The score was tied at 6 late in the third quarter before Smith lofted a long pass between four Navy defenders into the waiting arms of Johnson, who outdistanced his pursuers in a 40-yard sprint to the end zone.
- It was one of few bright spots for Smith, who went 10 for 25 for 168 yards in Tulsa's lowest-scoring effort since a season-opening 16-7 loss to Oklahoma State.
- Zack Long kicked his third field goal for Tulsa with 10:58 remaining for a 10-point cushion.
- Facing a third-and-8 from his own 40 with less than four minutes to go, Smith connected with Keylon Stokes down the right sideline for a 37-yard gain that set up another field goal.
- Navy managed only 71 yards in the first half and didn't score until Bijan Nichols kicked a field goal just before halftime to make it 6-3.
- The Midshipmen opened the third quarter with a 14-play drive that lasted nearly eight minutes and ended with a field goal to tie the score.
- That fueled their hope of pulling off an upset, but Navy went three and out on its next two
 possessions while Tulsa finally found the end zone to take control.
- Freshman quarterback Xavier Arline ran for 60 yards on 27 carries for the Midshipmen but managed only 27 yards passing on eight attempts.

GAME 10

Army 15, Navy 0

Dec. 12, 2020 • West Point, N.Y. • Michie Stadium

- (AP) Tyhier Tyler scored on a 4-yard run early in the fourth quarter, the Army defense stoned Navy with a goal-line stand in the third and the Black Knights beat their archrival 15-0 on at fog-shrouded Michie Stadium.
- It was the first meeting between the teams at West Point since 1943. The game was moved
 to Michie Stadium from its customary site in Philadelphia because COVID-19 regulations
 in Pennsylvania would not have allowed the Corps of Cadets and Brigade of Midshipmen
 to attend.
- The Black Knights posted their first shutout in the series since a 27-0 victory in 1969 against Navy. Army had lost all three games played previously at West Point to the Midshipmen, including 13-0 in 1943 during World War II.
- No fans were allowed, the Mids and Cadets were seated in groups on different sides and behind both goalposts, and the stadium literally shook after President Donald Trump conducted the coin toss and the Mids won.
- Xavier Arline started for Navy, just the fifth freshman to start at quarterback for the Mids against Army. Tyler, meanwhile, made his second straight start for Army.
- Army went up 3-0 on Quinn Maretzki's 37-yard field goal early in the second quarter, set up by Tyler's 28-yard completion to Tyrell Robinson, just the second completion of his career.
- Tyler scored after a Navy turnover, the only one of the game, and Daryan McDonald tacked on a safety late in the fourth when he tackled Navy wide receiver Mark Walker in the end zone on a reverse.
- Maretzki added a 40-yard field goal.
- Arline sparked the Mids right after the second-half kickoff, and that's when the game turned. He gained 11 yards on first down and then ripped off a 52-yarder, crossing the field from right to left. Only a saving tackle by Cedric Cunningham at the 2 prevented a touchdown and it proved crucial.
- When two runs netted nothing, Navy coach Ken Niumatalolo called timeout. The Army defense then rose to the occasion, with senior linebacker Jon Rhattigan stopping Arline

inches of the goal and linebacker Amadeo West stopping Nelson Smith on fourth down.
 Neither triple option offense got untracked as fog descended low over the field. The teams headed to the locker room at halftime having combined for 5 first downs and 132 yards on 44 plays.

PASADENA, Calif. – The Midshipmen had completed a 5-1-2 season when they were invited to meet Washington in the 1924 Rose Bowl. DALLAS, Texas – "Gentlemen, this was the best ball club I have ever had the privilege of coaching," intoned coach Eddie Erdelatz in the Navy locker room following the Mids' 20-7 Cotton Bowl win over Rice. The expected duel between the two quarterbacks, Navy's Tom Forrestal and Rice's King Hill, never materialized. Tony Stremic and Bob Reifsnyder paced the Navy defense early on. Halfback and team captain Ned Oldham scored on a 19-yard run and had a pair of conversions.

1978 HOLIDAY BOWL

Navy 23, BYU 16

December 22, 1978 • San Diego Stadium

SAN DIEGO, Calif. – Navy rallied from a 13-point deficit early in the second half to defeat Brigham Young 23-16 in the first Holiday Bowl. The catalyst in the Mids' comeback was split end Phil McConkey, with help from quarterback Bob Leszczynski and the defensive unit. Leszczynski got the Mids going in the third period on a 77-yard TD drive that featured a 16-yard reverse by McConkey, the game's MVP. Moments later, a McConkey reverse of 26 yards set up a 28-yard field goal from Bob Tata that narrowed the deficit to 16-13. With the defense holding the Cougars to just 24 yards over the final 24 minutes, Leszczynski fired down the sideline to McConkey, who raced to the end zone to complete a 65-yard play. Navy was ranked 17th in the country in the final UPI poll.

1996 ALOHA BOWL

Navy 42, California 38

December 25, 1996 · Aloha Stadium

HONOLULU, Hawai'i - Ben Fay came off the bench in the fourth quarter to lead touchdown drives of 80 and 84 yards, as Navy rallied for a 42-38 victory over California

Cal jumped on top on the opening kickoff as Deltha O'Neal returned it 100 yards for a touchdown. Navy answered quickly on a three-play, 69-yard drive, capped off by a seven-yard touchdown run from Tim Cannada. After Cal went back on top, 14-7, Navy answered with two quick touchdowns of its own, as Chris McCoy scored from one yard out and Ross Scott scored from four yards out. Cal bounced right back to take a 28-21, but McCoy answered with a two-yard touchdown run to tie the game at 28 with 39 seconds remaining in the half. That was plenty of time for Cal, as it marched 61 yards in 29 seconds to take a 35-28 halftime lead.

Fay entered the game with 10:38 remaining and promptly drove the Mids 80 yards in 10 plays, as he scored from two yards out to pull the Mids to within three. The Navy defense got the ball back for Fay when junior tackle David Viger stripped Cal quarterback Pat Barnes of the ball and Jerome Dixon recovered it.

Fay made the game-winning drive look easy, marching the Mids 84 yards on six plays, the big play being a 52-yard pass to senior slotback Cory Schemm. Fay scored from 10 yards out to give the Mids a 42-38 victory.

2003 EV1.NET HOUSTON BOWL

Texas Tech 38, Navy 14

December 30, 2003 • Reliant Stadium

HOUSTON, Texas - Texas Tech quarterback B.J. Symons threw for 497 yards and four touchdowns as Texas Tech defeated Navy 38-14 in front of 51,068 fans at Reliant Stadium in the EV1.net Houston Bowl.

The game started exactly like the Mids would have liked as Texas Tech missed a field goal on its opening drive, after advancing the ball to the Navy six-yard line, and then the Mids marched 78 yards on 15 plays on its initial drive, chewing up the clock as they went. The first quarter ended scoreless with Craig Candeto being ruled down at the one-yard line on his third down option keeper.

BOWL RECAPS

Navy head coach Paul Johnson decided to go for it on fourth down and Candeto was stopped short once again and when he tried to reach for the goal line the ball popped out of his hands and Texas Tech's Keyunta Dawson picked it up and returned the fumble to the Tech 34. Replays showed Candeto was clearly down when he fumbled.

The Navy defense held again as Tech quickly moved down to the Navy seven-yard line, but Josh Smith picked off Symons' pass on third down and returned it 36 yards to

The Mids couldn't move the ball on its second possession and after a failed fake punt, Texas Tech moved 47 yards on five plays to take a 7-0 lead on a four-yard touchdown pass from Symons to Mickey Peters.

The Navy offense moved the ball right back down the field on its next possession, but on third-and-four fullback Kyle Eckel was stopped for no gain and then Eric Rolfs missed his first field goal attempt in nine tries as his 37-yard attempt went wide left.

Tech took advantage of the missed field goal as Symons hit Nehemiah Glover with a 17-yard touchdown to make it 14-0 Tech at the half.

The Mids refused to give up as Candeto directed an 11-play, 79-yard drive to start the second half, capped off by his own two-yard touchdown run on fourth and goal to

Tech answered Navy's touchdown drive with one of its own as the Red Raiders marched 67 yards on nine plays with Taurean Henderson scoring from four yards out to make it 21-7.

2004 EMERALD BOWL

Navy 34, New Mexico 19

December 30, 2004 • SBC Park

SAN FRANCISCO, Calif. - Aaron Polanco accounted for four touchdowns and 237 yards of total offense as Navy defeated New Mexico 34-19 in the 2004 Emerald Bowl. The victory gave the Midshipmen a school-record tying 10 wins for the season and marked just the fifth bowl victory in school history.

After the Lobos took a 7-0 lead on the first possesion of the game, the Mids answered with a touchdown drive of their own, moving 80 yards on just seven plays. Polanco scored from 14 yards out to tie the game at seven.

The game turned on the ensuing possession when safety Vaughn Kelley hit New Mexico's DonTrell Moore just as he was catching a pitch. The hit caused a fumble that was recovered by Lane Jackson and knocked Moore out of the game.

Navy quickly took advantage of the turnover, as Polanco scored from one yard out five plays later to give Navy a 14-7 lead. The touchdown was set up by a third-andeight pass from slot back Frank Divis to Polanco for 17 yards

Josh Smith stopped New Mexico's next drive with an interception and the Mids made the Lobos pay dearly, as Polanco hit wide receiver Corey Dryden on the second play from scrimmage with a 61-yard touchdown pass to make the score 21-7.

After the two teams punted on their initial possessions of the third quarter, Polanco ran for his third touchdown of the day, this one from 27 yards out, to make the score

New Mexico, however, marched right back down the field. The Lobos had the ball first-and-goal at the Navy six, but on fourth-and-goal from the one Lobo running back D.D. Cox was stopped short of the goal line by Kelley and Bobby McClarin.

The Navy offense would take over the game from there, mounting an epic 26-play, 94-yard, 14:26 drive that was capped off by a Geoff Blumenfeld 22-yard field goal to make the score 34-19. The 26 plays and 14:26 time of possession were both NCAA records for a single drive.

2005 POINSETTIA BOWL

Navy 51, Colorado State 30

December 22, 2005 • Qualcomm Stadium

SAN DIEGO, Calif. – Sophomore slot back Reggie Campbell tied an NCAA bowl game record with five touchdowns as he helped lead Navy (8-4) to a 51-30 rout of Colorado State (6-6) in front of 36,842 fans at the inaugural Poinsettia Bowl. The two teams combined for a then NCAA bowl game-record 1,183 yards.

Campbell, who was named the game's offensive MVP, scored on 55- and 34-yard scoring strikes from quarterback Lamar Owens and on runs of 22, two and 21 yards to tie a record set by four others, most notably by Barry Sanders in the 1988 Holiday Rowl

Navy took its first lead of the game, a lead it would never give up, early in the second quarter when Marco Nelson scored on a 22-yard run around the right end, capping off a seven-play, 68-yard drive.

After the Navy defense forced a Colorado State punt, the Mids marched 80 yards on 11 plays as Campbell matched Nelson's TD run with a 22-yard touchdown gallop of his own. The Mids defense forced another punt and Campbell capped off an 89-yard drive with a two-yard touchdown run 28 seconds before intermission and the rout was on.

Campbell would score his fourth touchdown of the game on the first possession of the second half on a 21-yard jaunt to give the Mids a 34-10 lead.

2006 MEINEKE CAR CARE BOWL

Boston College 25, Navy 24

December 30, 2006 • Bank of America Stadium

CHARLOTTE, N.C. – Steve Aponavicius nailed a 37-yard field goal as time expired to give Boston College (10-3) a 25-24 victory over Navy (9-4) in the Meineke Car Care Bowl.

Navy outplayed the Eagles on both sides of the ball, but a couple of turnovers, two questionable holding calls and a bad bounce allowed the Eagles to escape with the victory.

Boston College jumped out to a 6-0 lead in the first quarter when Eagle quarterback Matt Ryan scored from two yards out.

Navy answered with a 10-play, 88-yard drive capped off by a 31-yard touchdown pass from Kaipo-Noa Kaheaku-Enhada to Tyree Barnes to give a 7-6 lead.

After a Jeremy McGown interception of a Ryan pass gave Navy the ball back at the BC 44-yard line, the Mids took eight plays to take a 14-6 lead on a five-yard touchdown run by Zerbin Singleton. It was Singleton's first-career touchdown.

Kaheaku-Enhada threw his second touchdown pass of the day, this time to Jason Tominson, to give Navy a 21-13 lead.

Aponavicius hit a 26-yard field goal at the gun to cut Navy's lead to five at the half. Navy regained the momentum to start the second half, going 85 yards on 11 plays. Matt Harmon's 22-yard field goal gave Navy a 24-16 lead.

Ryan threw a 25-yard touchdown pass to cut the lead to 24-22, but the two-point conversion failed.

After both teams traded punts, Navy took the ball over at its own 24 with 4:09 remaining in the game. After picking up two first down, the Mids ran a toss play to Shun White on third-and-six. White appeared to pick up the first down and clinch the game, but the officials flagged the Mids for holding. On the next play Reggie Campbell took his eyes off of Kaheaku-Enhada's pitch and Boston College's Jolon Dunbar picked up the fumble at the Navy 45 and returned it five yards. Six plays later, Aponavicius nailed the 37-yard field goal to give the Eagles the win.

2007 POINSETTIA BOWL

Utah 35, Navy 32

December 20, 2007 • Qualcomm Stadium

SAN DIEGO, Calif. – Utah (9-4) outscored Navy (8-5), 21-0, over a seven-minute span in the second half to rally for a 35-32 Poinsettia Bowl victory over the Midshipmen in front of 39,129 fans at Qualcomm Stadium in San Diego. The game was the debut for Navy head coach Ken Niumatalolo.

Utah would take a 7-0 lead early in the second quarter on a five-yard touchdown run by Darrell Mack. The Mids would answer Utah's score with one of their own, driving 70 yards in eight plays. Junior quarterback Kaipo-Noa Kaheaku-Enhada capped the drive with a one-yard touchdown run to tie the score at seven.

Joey Bullen's 39-yard field goal with 28 seconds left in the half gave Navy a 10-7 halftime lead.

The Mids made it 17-7 on the first drive of the third quarter. Junior fullback Eric Kettani busted through the Utah secondary and rumbled 43 yards for a touchdown to give Navy a 17-7 lead.

Jereme Brooks scored from 23 yards out off a reverse to cut Navy's lead to 17-14 and then Utah took the lead when Johnson hit Derrek Richards with a 40-yard

touchdown pass to make the score 21-17. Johnson's 19-yard quarterback draw gave Utah a 28-17 lead with 12:47 left in the contest.

To Navy's credit, the Mids refused to quit as Kaheaku-Enhada led Navy on a nineplay, 81-yard drive that was capped off by a 10-yard touchdown pass to White that made the score 28-25.

The Utah offense would answer with a Mack one-yard run and the Utes appeared to have an insurmounable 35-25 lead with 1:27 left.

The Mids, however, had other ideas. Kaheaku-Enhada hit Zerbin Singleton with a 58-yard touchdown pass that made the score 35-32 with 57 seconds left. Bullen then pulled off a perfectly-executed on-side kick that initially Utah's Dale had his hands on, but Singleton ripped it out of his hands giving the ball to Navy at its own 42 with 57 seconds left. After Kaheaku-Enhada ran for nine yards on first down, his pass was intercepted by Dale at the Utah 31 after Campbell slipped coming out of his route.

2008 EAGLEBANK BOWL

Wake Forest 29, Navy 19

December 20, 2008 • Robert F. Kennedy Memorial Stadium

WASHINGTON, D.C. – Wake Forest (8-5) outscored Navy (8-5) 22-6 in the second half to rally for a 29-19 victory over the Midshipmen in the inaugural EagleBank Bowl at RFK Stadium in Washington, D.C.

Navy jumped out to a 13-0 lead thanks to field goals of 40 and 47 yards by Matt Harmon and a 50-yard return of an Alphonso Smith fumble by senior cornerback Rashawn King.

The Mids were looking to add to their lead late in the second quarter, driving the ball deep into Wake Forest territory, but on second down from the Wake Forest 27-yard line senior quarterback Kaipo-Noa Kaheaku-Enhada overthrew Tyree Barnes and Smith intercepted the ball at the two-yard line.

The Navy defense had dominated the game up to that point, but the Mids allowed Wake Forest to drive 98 yards in 3:48 to cut the Mids lead to 13-7 at the half.

The Demon Deacons took their first lead of the game on their first drive of the second half, driving 73 yards on 10 plays (nine of those plays were runs) in 5:17. Adams scored from five yards out to make the score 14-13.

Navy would retake the lead early in the fourth quarter after a defensive stand gave the ball to the offense at the 50-yard line. Kaheaku-Enhada ripped off a 35-yard run on the first play and then he scored from two yards out five plays later to make the score 19-13. Navy's two-point conversion attempt failed.

Navy's lead did not last long as Wake answered Navy's touchdown with one of its own, marching 80 yards in nine plays. The big play of the drive was on third-and-seven when Skinner hit Chip Brinkman with a 44 yard pass down to the Navy 11-yard line. Skinner struck again two plays later on another third-and-seven, this time hitting Ben Wooster with an eight-yard touchdown pass. Skinner converted the two-point conversion with a pass to Devin Brown to make the score 22-19.

Shun White returned the ensuing kickoff all the way down to the Wake Forest 11-yard line, but the play was called back after Navy was nailed for holding.

Navy still had two opportunities to tie or retake the lead, but Kaheaku-Enhada was stopped for no gain on third-and-five from the Navy 47 on the first drive and then lost a fumble on fourth-and-10 on the second drive.

2009 TEXAS BOWL

Navy 35, Missouri 13

December 31, 2009 • Reliant Stadium

HOUSTON, **Texas** – Quarterback Ricky Dobbs rushed for 166 yards and three touchdowns on 30 carries and completed nine of his 14 pass attempts for 130 yards and a touchdown, while the Navy defense held Missouri to just one touchdown as the Mids routed the Tigers 35-13 in front of a crowd of 69,441 at the Texas Bowl.

Dobbs set a Navy bowl record for rushing yards and tied the record for carries and rushing touchdowns en route to being named the Texas Bowl MVP. Slot back Marcus Curry also had a big day, rushing for 109 yards and a touchdown on 12 carries and catching five passes for 97 yards.

The Navy defense opened the game in a 2-4-5 alignment that befuddled the Missouri offense all day. After giving up a 58-yard touchdown pass from Blaine Gabbert to Danario Alexander on the second play of the game, the Mids allowed just six points over the final 59:24.

After the Alexander touchdown run on the second play of the game, Navy tied it on a one-yard touchdown run by Dobbs with 2:58 left in the first quarter and then took the lead for good on a 12-yard run by Dobbs with 45 seconds left in the half. That touchdown was set up by a Vela fumble recovery.

Bobby Doyle's three-yard touchdown reception on a slant route from Dobbs extended the lead to 21-10 early in the third quarter and then Navy put the game away in the fourth on Curry's 11-yard touchdown run and a one-yard touchdown run by Dobbs.

The Mids gashed the Missouri defense, which entered the game ranked 11th in the country against the run, for 515 yards, including a Texas Bowl-record 385 yards on the ground. Missouri was held to 356 yards of total offense, including a paltry 65 rushing vards.

Linebacker Ross Pospisil led the Navy defense with nine tackles, 1.5 sacks and an interception, while outside linebacker Craig Schaefer had eight tackles, three tackles for a loss and a sack. Safety Wyatt Middleton added an interception and outside linebacker Ram Vela recovered a fumble.

2010 POINSETTIA BOWL

San Diego State 35, Navy 14

December 23, 2010 • Qualcomm Stadium

SAN DIEGO, Calif. – Freshman tailback Ronnie Hillman rushed for 228 yards and three touchdowns, while junior quarterback Ryan Lindley completed 18 of his 23 passes for 276 yards and two TDs to lead San Diego State to a 35-14 victory over Navy in front of a San Diego County Credit Union Poinsettia Bowl record crowd of 48,049 at Qualcomm Stadium.

The Aztecs jumped out to a 14-0 lead in the first quarter as Hillman scored on a 22-yard touchdown run and wide receiver Vincent Brown caught a 53-yard touchdown pass from Lindley.

Navy cut the lead to 14-7 early in the second quarter when, on third-and-19, senior quarterback Ricky Dobbs hit wide receiver Greg Jones with a 30-yard touchdown pass.

San Diego State went back up by 14 with 3:15 left in the half when Hillman scored on a 37-yard run, but the Mids answered with a 10-play, 73-yard scoring drive to cut the lead to 21-14 at the half. Dobbs hit Jones with a 40-yard pass down to the San Diego State 11 and then scored from the one with seven seconds remaining to give the Mids some momentum heading into the locker room.

Navy got the ball to start the third quarter and moved it to the San Diego State 9-yard line where the Mids had it first-and-goal. On first down, Dobbs was stopped for no gain and on second down he rushed for six yards to the Aztecs 3-yard line. On third-and-goal, sophomore slot back Bo Snelson was stopped for no gain and on fourth down Dobbs just barely overthrew an open Snelson in the end zone as the Mids turned the ball over on downs.

The score remained 21-14 until early in the fourth quarter when Lindley hit Hillman with a 15-yard touchdown pass to make it 28-14.

Dobbs ended his celebrated career by rushing for 107 yards and a touchdown on 24 carries and completing eight of his 15 passes for 147 yards with one TD and one interception. Meanwhile, Jones finished with three catches for 85 yards and a touchdown.

Outside linebacker Jerry Hauburger led the defense with 11 tackles, while linebacker Tyler Simmons and safety De'Von Richardson finished with seven stops each. Linebacker Matt Warrick and safety Wyatt Middleton pitched in five stops each.

2012 KRAFT FIGHT HUNGER BOWL

Arizona State 62, Navy 28

December 29, 2012 • AT&T Park

SAN FRANCISCO, Calif. – Taylor Kelly threw four touchdown passes and ran for a fifth score to lead Arizona State to a 62-28 victory over Navy in the Kraft Fight Hunger Bowl in front of 34,172 fans at AT&T Park.

Offensive MVP Marion Grice ran for 159 yards and two touchdowns for the Sun Devils (8-5), who used their fast-paced spread offense to score touchdowns on their first nine possessions.

Among the highlights for Navy were Keenan Reynolds' 3-yard TD pass to Matt Aiken in the first half and a 95-yard kickoff return for a score by Gee Gee Greene in the third quarter. Greene's kickoff return for a TD was the first in school history in a bowl game.

Arizona State's Rashad Ross started and ended the first-half scoring with touchdown receptions. His 16-yard catch from Kelly capped a 75-yard game-opening drive and he got behind the Navy defense for a 52-yard score in the final minute of the half to make it 34-7. Ross then caught a 50-yard TD pass on Arizona State's first drive of the second half to make it 41-7.

Grice scored on a 10-yard run in the first quarter and a 39-yarder in the third. He had 19 touchdowns this season, with 11 coming on the ground.

The Midshipmen had a few opportunities to keep the game close on offense in the first half but Greene was unable to hold onto a pass in the end zone on fourth-and-7 from the 31 in the first quarter and Reynolds lost three yards on a third-and-1 keeper from the eight before Nick Sloan missed a field goal.

Sen. John McCain, a former Navy fighter pilot who represents Arizona in Congress, handled the pregame toss. Instead of using a coin, the game sponsored by Kraft, uses an Oreo with one side being a chocolate cookie and the other vanilla.

Greene carried the ball 12 times for 112 yards to go along with his kickoff return for a touchdown. Freshman fullback Chris Swain rushed for 93 yards and a touchdown on four carries, while sophomore fullback Noah Copeland rushed for 47 yards on 10 carries.

Brandon Turner caught a 23-yard touchdown pass from Trey Miller in the fourth quarter. Matt Warrick led the Navy defense with nine tackles, while Tra'ves Bush, Keegan Wetzel, Jordan Drake and Parrish Gaines had six tackles apiece.

2013 BELL HELICOPTER ARMED FORCES BOWL

Navy 24, Middle Tennessee 6

December 30, 2013 • Amon G. Carter Stadium

FORT WORTH, **Texas** – Keenan Reynolds joined the 30-touchdown rushing club in Navy's 24-6 victory over Middle Tennessee in the Bell Helicopter Armed Forces Bowl.

Reynolds had a three-yard score to cap the opening drive for Navy (9-4) and added a one-yarder in the fourth quarter. Already holding the NCAA record for rushing touchdowns by a quarterback, Reynolds upped his total to 31 to match Colorado State running back Kapri Bibbs, also a sophomore, for the national lead in 2013.

The only players with more rushing TDs in a season were Barry Sanders (37) with Oklahoma State and Wisconsin's Montee Ball (33).

Navy piled up 366 yards rushing and finished its season with five straight victories. The Blue Raiders (8-5) were held to a season low in points. They had finished the regular season with a five-game winning streak, averaging nearly 43 points a game in that stretch - since a 34-7 loss on Oct. 12 at North Texas.

Reynolds lost two fumbles, matching his total during the regular season, but Middle Tennessee failed to convert into points on either of the miscues. Both fumbles were recovered by linebacker T.T. Barber, Middle Tennessee's MVP, after Navy drove inside the 20.

Down 10-6 at halftime, the Blue Raiders moved to the Navy seven on the opening drive of the second half. They went for it on fourth down instead of trying a short field goal, but fullback Corey Carmichael managed only a yard before getting taken down by Travis Bridges and George Jamison, who also had an interception.

2014 POINSETTIA BOWL

Navy 17, San Diego State 16

December 23, 2014 • Qualcomm Stadium

SAN DIEGO, Calif. – Austin Grebe kicked the go-ahead, 24-yard field goal with 1 minute, 27 seconds left to lead the Midshipmen to a 17-16 victory over San Diego State in the San Diego County Credit Union Poinsettia Bowl.

The Mids won their fourth straight and for the sixth time in seven games. They've won consecutive bowl games for just the second time in history. Additionally, they were playing just 10 days after beating Army for the 13th straight time.

The Midshipmen won the contest after the Aztecs' Donny Hageman was wide right on a 34-yard field goal attempt with 20 seconds left.

The winning drive was set up when Navy's Chris Johnson forced and recovered a fumble by Donnel Pumphrey.

Fullback Chris Swain converted on a fourth-and-1 and Ryan Williams-Jenkins took a pitch and ran 28 yards to help set up the game-winner by Grebe.

San Diego State then got to the Navy 17 before Hageman missed. Hageman earlier made field goals of 43, 37 and 30 yards. His third field goal gave SDSU a 16-14 lead late in the third quarter.

Junior quarterback Keenan Reynolds ran for two touchdowns, extending his own NCAA record for scores by a quarterback to 64.

He scored on a 1-yard keeper for the game's first score and then somersaulted into the end zone at the end of a 6-yard run to give Navy a 14-13 lead midway through the third quarter.

Leading 16-14, SDSU went for it on fourth-and-5 from the Navy 12 but Quinn Kaehler's pass to Mikah Holder was incomplete.

Navy punted on its next possession but got the ball back after Pumphrey fumbled.

The Midshipmen rushed for 254 yards, led by Swain with 72 yards on eight car-

Navy improved to 2-2 in the Poinsettia Bowl. The victory avenged a 35-14 loss to SDSU in the 2010 Poinsettia Bowl.

Reynolds was named the game's offensive MVP, while senior linebacker Jordan Drake, who tied his career high with 13 tackles, was named the game's defensive MVP

2015 MILITARY BOWL

Navy 44, Pitt 28

December 28, 2015 • Navy-Marine Corps Memorial Stadium

ANNAPOLIS, Md. – Senior quarterback Keenan Reynolds wrapped up his record-setting college career in spectacular fashion, running for three scores and throwing for another to lead Navy past Pittsburgh 44-28 in the Military Bowl. With Reynolds leading the way, the Midshipmen completed their first 11-win season in 135 years of football.

After the Midshipmen let a 24-point cushion dwindle to 38-28, Reynolds capped a nine-play drive with a 9-yard touchdown run with 4:19 remaining. It was his 88th career TD, breaking a tie with Kenneth Dixon of Louisiana Tech for most in Football Bowl Subdivision history. Reynolds ran for 144 yards on 24 carries, completed 9 of 17 passes for 126 yards and had a reception for 47 yards on a trick play. He leaves Navy as the FBS career leader in touchdowns and points (530). His 4,559 yards

BOWL RECAPS

rushing are the most by a quarterback in Division I history.

Qadree Ollison rushed for 73 yards and scored two touchdowns for Pitt. Nate Peterman threw a TD pass, but was intercepted three times. It all added up to a disappointing ending for the Panthers in their first season under coach Pat Narduzzi.

After Quadree Henderson returned the opening kickoff 100 yards for Pitt, Navy went up 21-7 at halftime and built a 31-7 lead midway through the third quarter. Pitt scored two touchdowns in 17 seconds to close to 31-21, but could not complete the complack

Playing before a sellout crowd of 36,352 in its home stadium, Navy used its triple-option attack to overwhelm a team that went 6-2 in the Atlantic Coast Conference and ranked 20th in the nation against the run. The Midshipmen finished with 590 yards in offense, including 417 on the ground - 114 by senior fullback Chris Swain.

After Henderson weaved from end zone to end zone for the game-opening score, Reynolds directed a 75-yard drive that ended with his 1-yard touchdown run. Later in the first quarter, Reynolds capped a 14-play march with a 5-yard TD. Navy's next touchdown came on an 11-yard pass from Reynolds to Tyler Carmona.

Niumatalolo momentarily abandoned the triple option in the third quarter in favor of a bit of trickery. Reynolds pitched the ball to fullback Shawn White, then went around the right side of the line for a catch-and-run that set up a 26-yard touchdown jaunt by Demond Brown.

It was 31-7 before Nate Peterman threw a 4-yard TD pass to Ollison, and a 22-yard fumble return by Jordan Whitehead got Pitt within 10 points. After Navy scored another touchdown, Ollison ran for a 45-yard score to make it 38-28.

But this was to be Reynolds' day. In his final significant drive with the Midshipmen, he converted three third downs and drew the Panthers offside on a fourth-and-3. Junior corner Brendon Clements had two interceptions for the Navy defense, while senior safety Lorentez Barbour also picked off Peterman.

2016 ARMED FORCES BOWL

Louisiana Tech 48, Navy 45

December 23, 2016 · Amon G. Carter Stadium

FORT WORTH, Texas – Louisiana Tech senior quarterback Ryan Higgins threw for 409 yards and four touchdowns, two each to Trent Taylor and Carlos Henderson, and Jonathan Barnes' 32-yard field goal broke the game's fourth tie as the Bulldogs beat Navy 48-45 in the Lockheed Martin Armed Forces Bowl.

The Bulldogs drove for the winning score after Navy freshman quarterback Malcolm Perry ran 30 yards for a touchdown on his only play. Higgins was then 4 for 4 for 58 yards on the final drive.

Taylor, the 5-foot-8 senior, set an Armed Forces Bowl record with his 12 catches for 233 yards, including a 51-yard TD just before halftime for a 31-24 lead, and joined Troy Edwards as the only Bulldog with more than 4,000 career receiving yards. Henderson, a junior, had 10 catches for 129 yards and finished this season with 19 TDs

Perry, whose TD with 3:46 left tied the game at 45-45, came in after Zach Abey took a shot to the ribs on a play that led to a targeting ejection by Tech defensive tackle lorden Bradford.

Abey, who made only his second career start, ran for 114 yards and two scores and threw for 159 yards and another touchdown. Abey was named Navy's Most Valuable Player in the game.

The 45 points were the second-most points Navy has ever scored in a bowl game and most it has scored in a loss.

2017 MILITARY BOWL

Navy 49, Virginia 7

December 28, 2017 • Navy-Marine Corps Memorial Stadium

ANNAPOLIS, Md. – Backup quarterback Zach Abey scored five touchdowns, starter Malcolm Perry ran for 114 yards and two scores and Navy rolled to a surprisingly easy 49-7 victory over Virginia in the Military Bowl played at Navy-Marine Corps Memorial Stadium.

After Virginia's Joe Reed took the opening kickoff 98 yards for a touchdown, the Midshipmen got two TDs apiece from Perry and Abey in taking a 28-7 halftime lead.

Perry left in the third quarter with a foot injury, leaving Abey to score on runs of 5 and 20 yards to make it 42-7 in a game Navy entered as a 1 1/2-point favorite.

 \star

The Midshipmen rolled up a Military Bowl-record 452 yards rushing, including 101 by Chris High and 88 by Abey, who began the season as the starter before losing the job.

After scoring on a 1-yard run with 11:11 remaining, Abey sat down after becoming the fifth player in FBS history to rush for five TDs in a bowl game.

Playing in their first bowl since 2011, the Cavaliers (6-7) could not contain Navy's triple option and had no success moving the ball.

Seeking its first winning season in six years, Virginia instead absorbed its sixth loss in seven games.

Virginia senior Kurt Benkert came in with a school-record 3,062 yards passing this season, along with 25 touchdown passes. In this one, he went 15 for 34 for 133 yards and an interception, and the Cavaliers finished with a season-low 175 yards in offense.

Navy scored on its opening drive that ended with a 1-yard run by Abey. The Midshipmen then forced a three-and-out, and Perry finished an eight-play drive with a 22-yard touchdown run for a 14-7 lead.

Perry scored from 19 yards out and Abey concluded the first-half scoring with a 1-yard TD. By then, Reed's kickoff return was irrelevant.

2019 LIBERTY BOWL

Navy 20, Kansas State 17

December 31, 2019 • Liberty Bowl Memorial Stadium

MEMPHIS, TENN.- Bijan Nichols kicked a 23-yard field goal with two seconds remaining and No. 21 Navy capitalized on a fourth-down gamble in the final minute to beat Kansas State 20-17 in the Liberty Bowl.

A Navy team with the nation's top-ranked rushing attack set up the winning score by completing a halfback option pass with less than 30 seconds left. The Midshipmen snapped the ball on fourth-and-3 from the Kansas State 46. Quarterback Malcolm Perry pitched to C.J. Williams, and he threw downfield to a wide-open Chance Warren for a 41-yard gain.

Perry, who rushed for 213 yards, spiked the ball with 5 seconds left to set up Nichols' field goal. Nichols had missed a 38-yarder earlier in the fourth guarter.

The victory enabled Navy (11-2) to tie a program record for wins and ensured the Midshipmen will finish a season in the AP Top 25 for just the third time in the last 56 years. Navy finished 18th in 2015 - when it also won 11 games - and was 24th in 2004

Navy went 3-10 last year and matched the second-biggest season-to-season improvement in win-loss record of any team in Football Bowl Subdivision history. Hawai'i owns the record by going 9-4 in 1999 after finishing 0-12 in 1998.

The Mids made that dramatic turnaround thanks largely to Perry, who capped a brilliant senior season with 28 carries and a touchdown pass.

Perry ran for 2,017 yards this season to set a Football Bowl Subdivision record for yards rushing by a quarterback. The record had been owned by Jordan Lynch, who ran for 1,920 yards for Northern Illinois in 2013.

Navy dominated much of the game but wasted a couple of opportunities to put it away. The Mids led 17-10 late in the third quarter when a holding penalty on Billy Honaker wiped out a 31-yard run by Perry that would have given them first-and-goal at the 2. Navy ended up punting.

Nichols then sent a 38-yard field goal attempt wide left with 8:26 left in the game. At that point, Navy was outgaining Kansas State, 351-83, but only led 17-10.

Kansas State finally got its offense going at that point, as Skylar Thompson connected with Wykeen Gill on a 15-yard completion and a 42-yard pass on back-to-back plays. Those long gains set up Thompson's 1-yard sneak that tied the game with 5:14 left

That set up Navy's dramatic winning drive.

Among some of his most memorable sports moments in Baltimore that Mills has covered include the last Orioles World Series championship in 1983, the Orioles last weekend at Memorial Stadium in September of 1991, both Ravens Super Bowls wins, Cal Ripken breaking Lou Gehrig's consecutive game streak and numerous Army-Navy football games.
